All Fine Arts students will receive an additional supply list after school begins.

The pre-packaged school supplies from the grocery store may not contain all the supplies. Please check the list of contents to make sure you have all of the supplies on the school supply list.

Additional supplies may be requested as needed throughout the school year.

Only water-soluble, non-toxic, felt-tip markers are permitted in school. Please see that your child does not bring any other markers or white out to school.
