

CONROE ISD INSTRUCTIONAL MODEL

We differentiate our instruction through...

- content
- process
- product
- environment

We respond to ALL learners' needs through...

- readiness
- interest
- learning profiles
- flexible grouping

We add value to ALL students based on a mindset that ensures...

- quality curriculum
- engagement & challenge
- rigorous & relevant tasks
- on-going assessment

We create supportive learning environments that...

- build community
- foster respect
- promote independence
- are safe
