READING Strategies	 READING CURRICULUM, INSTRUCTION & STAFF DEVELOPMENT Re-examine effectiveness and depth of Guided Reading in the K-6 classroom through an in-depth examination of classroom practices and focus on the critical role of texts and the expert teaching in the process of reading. Emphasize higher level questioning within each component of CISD READS: Reading Aloud and Thinking Together, Shared/Strategic Reading, Guided Reading, and Independent Reading in whole group, flexible groups, and with individual students. The Coordinator of Elementary Language Arts and District Instructional Literacy Coaches will provide training on District Literacy Assessments and how to use data gleaned from these assessments to guide small group Guided Reading instruction.
