## Audit Committee Meeting

SEPTEMBER 13, 2018

### Audit Committee Charter

Adopted by the Board of Trustees on December 7, 2004 Revision adopted by the Board of Trustees on September 18, 2012

#### Conroe Independent School District

#### Audit Committee of the Board of Trustees Charter

#### Purpose

The Audit Committee (Committee) is a special committee created by the Board of Trustees (Board) pursuant to Board Policy BDB (Legal) and (Local), "Board Internal Organization". The Committee will function consistent with this Policy and meet in compliance with the Texas Open Meetings Act. The Committee will perform an oversight and advisory role for the Board including a review and appraisal of the overall audit resources available and the objectives, scope and audit results of both the external and internal auditors.

#### Membership

The Committee will consist of three Board members, and as stated in the above local policy, the Board President and the Superintendent of Schools will be ex officio members of this committee. Each member of the Committee should be a member of the Board in good standing with general knowledge of financial, management and auditing matters.

Committee members will serve two-year terms, with new members appointed by the Board of Trustees as a whole. A member may be appointed to successive terms in order to promote continuity within the Committee. The Committee members will select the Chair of the Audit Committee on an annual basis.

Duties of the Chairman of the Audit Committee shall be to: call meetings of the Committee at appropriate times, preside at Committee meetings, report Committee recommendations to the Board and, along with the Superintendent, evaluate the performance of the Internal Auditor.

#### Meetings

The Committee will meet at least three times each year, or more often as needed. The Committee may ask members of management or others to attend the meetings and provide pertinent information as necessary. Reports of the Committee meetings should be made to the Board when appropriate at its next regularly scheduled meeting and Committee minutes should be included in the Board packets.

#### **Duties**

With respect to performing its oversight and advisory role, the Committee will:

- · Annually review this charter and recommend proposed changes to the Board;
- Annually review district policies and procedures and methods used to ensure compliance;
- Review the audit scope and plans of internal and external auditors to ensure coordination
  of audit efforts, completeness of coverage, reduction of redundant efforts and the
  effective use of audit resources;

#### Conroe Independent School District

- Annually review the District's Code of Ethics and Ethics policies to ensure they are adequate and up-to-date;
- Review the procedures for handling complaints against the District or district employees
  of misconduct or dishonesty regarding accounting, internal controls or auditing matters
  and examine the status and resolution of complaints that have been received, and;
- Annually review the effectiveness of this committee and recommend proposed changes to the Board as needed.

The Committee, in cooperation with the District's Chief Financial Officer (CFO), will advise the Board with regard to hiring an external audit firm. The external audit firm will report directly to the Board. With respect to the external audit firm, the Committee will:

- Meet with the external auditors and the CFO prior to the audit to review the planning of the audit, including audit scope;
- Review with staff and the external auditors the effect of any new regulatory or accounting initiatives on the District's financial statements:
- At least annually, inquire of management, the internal auditor and the external auditors about significant risks or exposures facing the district, assess the steps management has taken, or proposes to take, to minimize such risks and periodically review compliance with those steps;
- Advise the Board as to the fee proposal from the external auditors and the related engagement letter proposal and make recommendations to the Board as to:
  - > changes in the engagement letter,
  - the fee proposal,
  - suggestions about the continued use of the current external auditors, the audit partner or the rotation to new auditors,
  - the proposed general representation letter;
- · At least annually, obtain and review a report by the external auditors describing:
  - > the external auditors' internal quality control procedures,
  - any material issue raised by the most recent internal quality control peer review,
  - a detail of all fees and related work paid by the District to the external auditors for the year
  - > all relationships between the external auditors and the District;
- Review the statutory requirements regarding the audit, which includes, but is not limited
  to, a review of Section 44.008 of the Texas Education Code to ensure that the District has
  met the requirements of an annual audit and report;
- Discuss with the external auditors any problems or difficulties encountered in the course
  of the audit
- Review and discuss with staff and the external auditors the annual audited financial statements, as well as disclosures made in the "Management Discussion and Analysis";
- Make recommendations to the Board for improvements in internal controls as found in the auditors' management letter comments in a timely manner after receiving the external audit report, and advise the Board regarding the implementation of those recommendations:
- Review the external auditors' annual management letter together with the District's response (which should be received simultaneously), and;

#### Conroe Independent School District

Advise the Board as to the external audit firm's performance, taking into account the
opinions of staff and the District's Internal Auditor.

Upon recommendation of the Superintendent, the Board will hire an Internal Auditor who will report administratively to the Superintendent and functionally to the Board. With respect to the Internal Auditor, the Committee will:

- Advise the Superintendent and the Board as to the Internal Auditor's priorities and job description;
- Review and concur in the appointment, replacement, reassignment or dismissal of the Internal Auditor;
- · Review and approve the Internal Audit annual audit plan;
- Review the district's compliance with legal and regulatory matters that may have a
  material effect on the financial statements:
- Review the adequacy of the District's internal controls including computerized information system controls and security, as well as significant control weaknesses and recommendations from prior audits;
- · Meet at least three times each year with the Internal Auditor and review:
  - final internal audit reports,
  - management's responses, strategies and timelines for action on the audit recommendations.
  - difficulties the Internal Auditor encountered while conducting audits including restrictions on the scope of the work;
- · At least annually, review with the Internal Auditor:
  - Internal Audit department budget and staffing,
  - > Internal Audit department charter,
  - Internal Audit department's compliance with the Institute of Internal Auditors' (IIA's) Standards for the Professional Practice of Internal Auditing (Standards), and:
- Annually review the performance of the Internal Auditor and the effectiveness of the internal audit function.

Adopted by the Board of Trustees on December 7, 2004 Revision adopted by the Board of Trustees on September 18, 2012

## Internal Audit Charter

Adopted by the Board of Trustees on December 7, 2004

#### Conroe Independent School District

#### Internal Audit Charter

#### FUNCTION

Internal Auditing is an independent, objective assurance and consulting activity established within the district, designed to examine and evaluate its activities, add value and improve an organization's operations. It helps an organization accomplish its goals and objectives by bringing a systematic, disciplined approach to evaluate and improve the effectiveness of risk management, control and governance processes. All internal audit endeavors are to be conducted in compliance with district objectives and policies as well as the Code of Ethics and the Standards for the Professional Practice of Internal Auditing which are promulgated by the Institute of Internal Auditing.

#### OBJECTIVE

Internal auditing is dedicated to assisting district management in the effective discharge of their responsibilities. To this end, it furnishes them with analyses, appraisals, recommendations, counsel and information concerning the activities reviewed. The audit objective includes promoting effective control at a reasonable cost.

#### AUTHORITY

Internal auditing functions under policies established by the Superintendent and the Board of Trustees. The Internal Auditor reports administratively to the Superintendent and functionally to the Board of Trustees and meets periodically with the Audit Committee of the Board. These reporting relationships ensure departmental independence, promote comprehensive audit coverage and assure adequate consideration of audit recommendations.

Internal auditing is a staff function with no authority over the people and activities being audited. The performance of these reviews does not relieve other administrators of their management control responsibilities. Internal auditors shall not develop and install procedures, prepare accounting records or engage in any activity which it would normally review and appraise, or otherwise compromise its objectivity and independence. This independence from operating responsibilities allows uncompromised objectivity.

Authorization is granted for full and complete access to any CISD records (manual or electronic), physical properties and personnel relevant to a review. Documents and information given to internal auditors during a periodic review will be handled in the same prudent manner as by those employees normally accountable for them.

#### RESPONSIBILITIES

Internal auditing encompasses the examination and evaluation of the adequacy and effectiveness of the district's system of internal controls and the quality of performance

#### Conroe Independent School District

#### Internal Audit Charter

in carrying out assigned responsibilities. The scope of the internal audit function includes, but is not limited to, the review of management responsibilities for:

- Due care in protecting the district's physical and information assets;
- Assurance that information is reliable and relevant:
- Assurance that policies, procedures, laws and regulations are being followed;
- Assurance that goals and program objectives are being met; and
- Assurance that resources are being used efficiently and economically.

## 2018-2019 Risk Assessment

# Risk Assessment Overview & Process to Develop the Audit Plan

#### What is a Risk Assesement?

- •an effective tool to aid auditors in identifying and prioritizing high-risk operational areas within the organization;
- estimates the risk associated with each unit in the organization; and
- •assists Internal Audit in allocating limited audit resources to significant audit areas.

### Without a risk assessment...

...an auditor may audit functions that have relatively minimal risk exposure, which leaves other higher risk activities unaudited.

# What does the Risk Assessment Process include?

- ESTIMATES THE RISK ASSOCIATED WITH EACH UNIT IN THE ORGANIZATION
- ASSISTS INTERNAL AUDIT IN ALLOCATING LIMITED AUDIT RESOURCES TO SIGNIFICANT AUDIT AREAS.

## Utilizing a risk-based approach assists in:

focusing on areas that are most important to the district and that support the district's ethical principles;

increasing audit effectiveness by limiting scope and objectives;

providing more time for other initiatives and efforts; and

reducing the audit effort spent on issues that are not significant.

## Risk Evaluation Process:

**Identifying auditable units** 

**Identifying relevant risk variables** 

Assessing their relative significance

## Risk Assessment Analysis – Risk Factors

Financial Impact	Quality of the Internal Control System
Frequency/Complexity/Volume of Transactions	Competency of Management
Regulatory / Legal Impact	Opportunity for Fraudulent Activity/Waste or Abuse
District Image/Reputation or Market/Participant/Customer Impact	Time Since Last Audit
Changes in Area / Management / Systems or District Processes	Last Audit Results

## A Risk Assessment involves:
