### Student Achievement Summary

On the 2023 STAAR Assessment, the following scores show the percentage of students at the Meets and Masters Level:

Reading 3rd Grade - Meets: 51% (District 60%); Masters: 31%; (District 40%)

# Culture and Climate

## Culture and Climate Summary

Our campus invests a significant amount of time in planning to ensure we are building connections with staff, students, parents and community. We are proud to say we have a warm and inviting culture where all students have a special, safe place. Our counselor works closely with teachers and staff to make sure our students and parents feel supported and accepted.

This is the 5th year having a Foundations Committee on our campus. The primary focus of this committee is to implement strategic expectations for students and staff behavior. Foundations is based on PBIS and Safe & Civil Schools. We review our procedures, review implementation at least four times a year, and offer training during monthly staff meetings.

Our campus has two counselors, who work as a team to help our community, as well as educate our parents in the importance of school attendance, good sleep habits, healthy eating, teacher communication, etc.

## Culture and Climate Strengths

- Strong counseling program implemented
- Community in School (CIS) program implemented
- Great communication with parents
- Minimal discipline referrals

# Parent and Community Engagement

## Parent and Community Engagement Summary

Family involvement is one of our priorities at Anderson Elementary. We do not have many volunteers during the school day, but our parents are always willing to help or participate in any activity after school.

Our communities' perceptions of our school and its effectiveness is one of a positive nature. They report feeling welcome on our campus. There is always a staff member available to talk with them in English or Spanish, depending on their need. Our front office staff is trained to serve parents regardless of their position.

Parents receive a weekly newsletter (English and Spanish). The newsletter includes information about upcoming events, celebrations about something that already happened, and social and community resources for families in need.

We keep our families informed through social media, calls and text. Every teacher has a direct method of communication with each parent.

## Parent and Community Engagement Strengths

- Successful community nights (Open House, Family, Math and Reading Nights)
- Specials teachers plan special events like Grade Level Music Programs, Veterans Celebration, and Field Day
- Direct teacher and parent communication
- Strong counselor support for students and families (food, clothing and Christmas drives)

# Title I

## 1.1: Comprehensive Needs Assessment

Our planning team, consisting of both staff and community members, conducted a campus needs assessment, which involved analyzing the academic performance of all subjects and all students.

## 2.1: Campus Improvement Plan developed with appropriate stakeholders

Following the needs assessment, our planning team created a CIP (Campus Improvement Plan). Instructional Coaches provided valuable guidance, facilitating in-depth academic comparisons among all groups and aligning our plans with the district's academic goals.

## 2.2: Regular monitoring and revision

We will consistently oversee the CIP and adjust strategies in response to our identified needs. Our core team, composed of administrators, campus coaches, student support services coaches, RTI interventionists, and counselors, will be responsible for plan monitoring. After finalizing the Campus Improvement Plan, we will communicate it to both our staff and parents.

## 2.3: Available to parents and community in an understandable format and language

The campus ensures our Campus Improvement plan is publicly available to parents and the community (English and Spanish) on the CISD Website under Accountability and available upon request in hard copy.

## 2.4: Opportunities for all children to meet State standards

The campus puts in place reform strategies to tackle school needs, providing opportunities for all students and student subgroups to surpass academic standards. Both staff and administration closely track grades and assessments to guarantee that students are progressing towards meeting State standards. Students who are at risk of falling short of their target benchmarks receive support and small group instruction, which includes:

1. RTI Instruction
2. In-Class Small Group Instruction
3. Pull-Out Support
4. Push-In Support

## **2.5: Increased learning time and well-rounded education**

The campus executes strategies to increase the quality and amount of learning time available to strengthen the academic program in the school and provides students with an enriched and accelerated curriculum.

## **2.6: Address needs of all students, particularly at-risk**

The campus will address all students' needs, particularly those at risk of not meeting academic standards. We closely monitor our at-risk students and work to ensure we are meeting their educational needs through:

- RTI Instruction
- Small Group Instruction
- Guided Math
- In Class Support

## **3.1: Annually evaluate the schoolwide plan**

The team performed a yearly thorough assessment of the entire school, examining the academic performance of all students and various student subgroups. This assessment encompassed data from academic evaluations, as well as social and emotional feedback gathered from stakeholders, such as teachers (both general and special education), administrators, student support personnel, and families. Furthermore, the campus delved into the purpose, allocation of funds, and the availability of school resources. As part of ongoing assessments, the core team will conduct annual evaluations of the Title I Schoolwide Plan, ensuring its relevance and effectiveness throughout the school year.

## **4.1: Develop and distribute Parent and Family Engagement Policy**

In collaboration with parents, the school crafted a formal Family Engagement Policy and a School Family Student Compact. Additionally, feedback gathered through our annual Parent Survey at the end of the school year was utilized to make any necessary adjustments to these documents.

## **4.2: Offer flexible number of parent involvement meetings**

The campus offers various family engagement activities, including flexible times and days of the week. In addition, the campus sends home information regarding family engagement opportunities and required notices in a format and language that families can understand. (English and Spanish).
