Student Achievement

Student Achievement Summary

The teachers at Deretchin Elementary meet in collaborative teams and plan utilizing the district's scope and sequences, which are aligned with the TEKS. Teachers strive to ensure lessons are planned that are meaningful, engaging, and rigorous. Teachers are continuing to work on analyzing data from common assessments and district assessments to help drive instruction and intervention needs for our students.

Problem Statements Identifying Student Achievement Needs

Problem Statement 1 (Prioritized): On HB 3 data, 81% of students scored at the Meets level on the 2023 STAAR Reading Assessment for 3rd grade. **Root Cause:** Data-driven interventions need to be more intentional and followed-up on to determine level of success.

Problem Statement 2 (Prioritized): On HB 3 data, 76% of students scored at the Meets level on the 2023 STAAR Math Assessment for 3rd grade. **Root Cause:** Data-driven interventions need to be more intentional and followed-up on to determine level of success.

Problem Statement 3 (Prioritized): 69% of 5th grade students scored at the Meets level on the the 2023 STAAR Science Assessment test. **Root Cause:** Small group instruction was not utilized as frequently as needed.

Problem Statement 4 (Prioritized): 40% of Special Education students in grades 3-6 scored at the Meets level on the 2023 STAAR Reading Assessment test. **Root Cause:** Strategies for connecting grade level curriculum to student ability were not implemented effectively.

Problem Statement 5 (Prioritized): 73% of students in grades Kindergarten through 6th grade were reading on or above grade level on EOY BAS testing. **Root Cause:** Small group Guided Reading and targeted literacy skill interventions need to be implemented consistently.

Problem Statement 6: 68% of Economically Disadvantaged students in grades 3rd-6th scored at the Meets Level on the 2023 STAAR Reading Assessment. **Root Cause:** Staff members need more strategies to build relationships with students and better relate to the needs of students.

Problem Statement 7: 67% of Emerging Bilinguals in grades 3rd-6th scored at the Meets Level on the 2023 STAAR Math Assessment. **Root Cause:** Strategies for developing math vocabulary were not implemented consistently during small group instruction.

Problem Statement 8: 49% of students in grades 3rd-6th scored at the Masters Level on the 2023 STAAR Math Assessment. **Root Cause:** Data-driven intervention time focused on students at or below the Approaches level and did not prioritize the needs of students on the Masters level bubble.

Culture and Climate

Culture and Climate Summary

Our Mission Statement at Deretchin is as follows:

Deretchin Elementary School is a school for the community, promoting a safe and nurturing learning environment while developing the whole child and encouraging excellence in all we do.

Our Shared Vision at Deretchin is as follows:

Deretchin Elementary is a community that builds on best practices in order to help our students reach high academic, social, and emotional goals. Our school collaborates with our parents and community to provide a safe and positive culture that embraces the diversity on our campus where everyone is equal and achievements are celebrated.

Student learning is consistently the highest priority of collaborative teams at Deretchin.

At Deretchin Elementary, we say that we are "Simply the Best" because we believe that we are at our best when we strive to work together as a true team each and every day. We are proud that we have great relationships with our students, families, and each other. Teachers collaborate as teams and take part in the campus-level decision making that impacts our campus. As a Professional Learning Community (PLC), our teams work together for continuous improvement of teaching and learning.

The results from our 2023 Staff Climate Survey, with 68 responses, show some of our strongest areas and areas to improve/support:

Areas of Strength:

Students are safe in our school- 100% agree or strongly agree

Staff members are proud to tell others that they work at Deretchin- 91% agree or strongly agree

Staff members believe adults in our building treat students with respect- 91% agree or strongly agree

Areas to Improve/Support:

Staff members feel that they spend a large amount of time dealing with the social and emotional challenges of students- 32% agree or strongly agree

Teachers believe they spend too much of their time disciplining students-22% agree or strongly agree

Staff believe that the school consistently enforces the student code of conduct- 22% disagree or neutral

This is Deretchin's eighth year to be a Foundations Campus in CISD. We have worked hard to set school-wide expectations in areas such as our cafeteria, hallways, and our playgrounds. Our Foundations team has helped create common language and behavior expectations across the campus. In addition, our Foundations team has helped build a positive environment that focuses on building relationships with our students by bringing awareness to their social and emotional needs.

Deretchin Elementary has committed to conducting Morning Meetings daily in all homeroom classes. During Morning Meetings, teachers are able to incorporate whole group social-emotional lessons into their day and provide students with time to share celebrations and struggles.

Deretchin is committed to providing a safe learning and working environment for our students and staff. We are working hard to continue to implement our school-wide safety procedures as well as implementing new requirements set by the state.

Culture and Climate Strengths

Culture and Climate Strengths

- Staff members feel that our students are safe within our school.
- Deretchin Elementary fosters a caring, respectful family atmosphere among its students, staff, and the community.
- Deretchin Elementary upholds the CISD belief that "All Means All."
- Deretchin Elementary continues to promote a safe learning and teaching environment through Foundations and Professional Learning Communities.

Problem Statements Identifying Culture and Climate Needs

Problem Statement 1 (Prioritized): Staff members feel that they spend a large amount of time dealing with the social and emotional needs of students. **Root Cause:** Our society has experienced challenges in the last few years, and students need reinforcement and normalcy in their day-to-day activities.

Problem Statement 2: Teachers feel that they spend too much time on disciplining students. **Root Cause:** Campus needs to practice consistent routines and expectations within the first few weeks of school.

Problem Statement 3: Staff members feel that the administrators are not aware of what goes on in the classrooms. **Root Cause:** Administrators need to attend more collaborative team meetings to gain a greater insight into challenges they are facing.

Problem Statement 4 (Prioritized): Physical aggression makes up a large percentage of student referrals. **Root Cause:** Students need more self-awareness and self-control strategies to help them during challenging situations.

Problem Statement 5: Staff members feel that they need to be more involved in decision-making and problem-solving. **Root Cause:** Staff members need to be provided with more opportunities to provide feedback on campus decisions.

Parent and Community Engagement

Parent and Community Engagement Summary

Our Deretchin Elementary parents and our community members are critical stakeholders and partners in our students' overall success. Deretchin Elementary strives to have positive partnerships with our families and encourages them to be very involved in their child's educational journey.

Communication with our Deretchin families is very important to keep everyone connected. We communicate with our families through email notices called "Deretchin Updates," a monthly newsletter called "The Dragon's Den," social media outlets such as Twitter and Facebook, and our teachers communicate with their families with phone calls, parent conferences, Zoom meetings, emails and newsletters.

Teachers meet with parents at least once a year for a parent conference. This time is spent identifying areas of strength and areas of opportunity for all children. Throughout these conversations, the staff members not only share about their academic successes and opportunities, but they share about their social and emotional strengths and opportunities as well.

Deretchin Elementary has an active Parent Teacher Organization that works continuously to support our students and staff. Our PTO helps promote fundraisers that help provide learning materials for our school. Our PTO helps our staff know how much they are appreciated by providing them with monthly treats. We are very appreciative of our Deretchin PTO.

Parent and Community Engagement Strengths

Parents feel welcomed at Deretchin.

Parents feel that their children are safe at Deretchin.

Parents feel that teachers have communicated with them on a regular basis.

Our PTO is very active in supporting our campus.

Problem Statements Identifying Parent and Community Engagement Needs

Problem Statement 1 (Prioritized): Approximately 25 parents attended each PTO meeting during the 2022-2023 school year. **Root Cause:** There is a need for better communication regarding upcoming meetings and ways parents can get involved.

Problem Statement 2 (Prioritized): Parents and families have not had opportunities to learn strategies to support their child's needs. **Root Cause:** Deretchin has not provided parents with any workshop opportunities that target strategies to support student needs.

Problem Statement 3: Parents feel that their children need to be challenged more in the classroom. **Root Cause:** Staff needs to seek more input from parents regarding expectations and concerns regarding their child's education.

Problem Statement 4: Parents feel that staff needs to spend more time helping their child achieve his or her potential. Root Cause: Staff members need to know their students' interests and needs.

Problem Statement 5: Parents feel that discipline could be more fair at Deretchin.

Performance Objective 4 Problem Statements:

Parent and Community Engagement

Problem Statement 2: Parents and families have not had opportunities to learn strategies to support their child's needs. **Root Cause**: Deretchin has not provided parents with any workshop opportunities that target strategies to support student needs.

Goal 5: Effective Instruction

CISD will deliver meaningful instruction through objective-driven lessons and rigorous learning experiences using appropriate technology and instructional resources, and CISD will analyze data from ongoing formative assessments to foster the development of critical-thinking skills for all learners.

Performance Objective 1: Increase effective data analysis to help guide CISD Best Practices within classrooms.

Performance Objective 1 Problem Statements:

Student Achievement

Problem Statement 1: On HB 3 data, 81% of students scored at the Meets level on the 2023 STAAR Reading Assessment for 3rd grade. **Root Cause**: Data-driven interventions need to be more intentional and followed-up on to determine level of success.

Problem Statement 4: 40% of Special Education students in grades 3-6 scored at the Meets level on the 2023 STAAR Reading Assessment test. **Root Cause**: Strategies for connecting grade level curriculum to student ability were not implemented effectively.

Student Achievement

Problem Statement 5: 73% of students in grades Kindergarten through 6th grade were reading on or above grade level on EOY BAS testing. **Root Cause**: Small group Guided Reading and targeted literacy skill interventions need to be implemented consistently.
