

SOCIAL SKILLS PROGRAMS

CARDINAL AUTISM SERVICES

NEW!

Now offering three unique programs at our Sugarland location

School Skills

- Simulates a school setting by pairing children of similar ages and skills levels in small group settings
- Individualized to meet your child's current skill level
- Provides children with the ability to work towards their goals with the help of a one on one ABA therapist

Kids Club

- Individualized ABA therapy
- One on one support combined with group instruction
- Develop social skills that simulate a natural environment

Play Pals

- Pairs your child with another child of similar age or skill level
- Helps your child work on goals that have been individualized to their needs and skill level
- Addresses play and social skills between peers
