

Master of Education and Certification Programs

100% Online Coursework

Discover top-ranked value for an online education program

M.Ed. in Educational Leadership & Policy Studies:

Build upon your existing expertise with progressive skills that can increase teacher retention rates and improve student achievement. Choose from the **Principal Certification Track** – which readies you for the TExES exam that enables you to earn your Texas Principal Certificate, or the **Non-Certification Track** – which has fewer documents required to apply.

M.Ed. in Curriculum & Instruction-Literacy Studies:

Pursue professional certificates in areas including Reading Specialist and English as a Second Language (ESL) teacher.

M.Ed. in Curriculum & Instruction-Mathematics Education:

Develop innovative teaching techniques specific to the K-12 math curriculum using problem- and inquiry-based strategies consistent with math disciplines and centered on how students learn.

Enhance your teaching skills and propel your career with one of our AAQEP-accredited and TEA-approved online programs:

- M.Ed. in Educational Leadership & Policy Studies
- M.Ed. in Curriculum & Instruction-Literacy Studies
- M.Ed. in Curriculum & Instruction-Mathematics Education
- M.Ed. in Curriculum & Instruction-Science Education
- Principal Certification

Why Choose UTA

- Affordable tuition
- Faster completion time
- No GRE for unconditional admission
- TEACH Grant eligible*
- Lock in tuition rate**
- TEA approved
- AAQEP accredited
- 6 start dates

*The maximum grant amount can vary by year. TEACH Grants are available to qualified applicants who enroll in a TEACH-Grant eligible program and require approved recipients to sign a service agreement for certain teaching service obligations. If you do not meet the requirements of your service obligation, the grant will turn into a loan that must be repaid, with interest. For more information, please visit: <https://studentaid.ed.gov/sa/types/grants-scholarships/teach> or contact the UTA Financial Aid Office.

**Tuition Guarantee available to new enrollees and only applies to courses in the major. Any prerequisite, core or levelling courses are subject to different pricing levels and pricing schedules. To ensure the price guarantee, student must 1) be continuously enrolled in the program and 2) complete the program during the time period prescribed by the degree program. A break in enrollment may result in the student being readmitted to the program at the tuition price in place at the time of readmission. Students who take courses beyond the designated program length may be subject to tuition price increases.
