

INTRUDER DETECTION AUDIT UPDATE

2/21/2023

RECENTLY RELEASED TXSSC STATE FINDINGS FOR INTRUDER DETECTION AUDITS OCCURRING FALL 2022

- 2864 state campuses were audited between September and December of 2022
- 71.6% of state audited campuses did not have any corrective actions
- 92% is our current rate without any findings or corrective actions as of 2/21/2023
 - 23 of 25 campuses

AUDITS SO FAR

- Six campuses were audited in January
 - One campus did have a finding in January after the Board meeting and the campus staff conducted the training approved by the C.I.S.D. District Safety Committee and presented to the Board by me on January 17th.
 - This required campus training was conducted on Friday, February 17th.
- We are told 10 campuses will be audited in February
 - Five C.I.S.D. campuses have been audited in February as of tonight all without any findings.

Thank you
