School Safety and Security Committee

Explanation: SB11, the expansive school safety bill passed during the 86th Legislative Session, requires school districts to include certain members of their “School Safety and Security Committee.” Texas Education Code §37.109, sets out the required makeup of the Committee. In addition to the Superintendent, Board President, and one other Board member, the Committee must also include: one or more representatives from the office of emergency management; one or more representatives of a local police agency; one or more representatives of the District’s police department; two additional Superintendent designees, one of which must be a classroom teacher; and two parents of students enrolled in the District.
5 Primary Tasks of the Committee in Accordance with Texas Education Code, Texas Education Agency, and Texas School Safety Center

• To develop and implement emergency plans consistent with the District’s Multi-hazard Emergency Operations Plan

• To periodically provide recommendations to the Board of Trustees and administration regarding updating the District’s Multi-hazard Emergency Operations Plan

• To provide any information needed in connection with a safety and security audit or report required by §37.108 or other report submitted to the Texas School Safety Center

• To review any reports that will be submitted to the Texas School safety Center to be sure the report contains accurate and complete information

• To consult with local law enforcement to increase the presence of law enforcement near District schools
