

FICA Alternative Plan

FOR PART-TIME, SEASONAL, AND TEMPORARY EMPLOYEES

What is a 457(b) FICA Alternative Plan?

The Omnibus Budget Reconciliation Act of 1990 (OBRA 90) mandates that employees of public agencies, including school districts who are not members of the employer's existing retirement system as of January 1, 1992 be covered under Social Security or a qualifying alternate plan. The ESC Region 10 457(b) FICA Alternative Plan satisfies federal requirements and provides substantial cost savings compared to Social Security.

Eligibility

An employee is eligible to participate in the plan if they meet one of the eligibility requirements listed below:

- Part-time (20 hours or less per week)
- Seasonal (five months or less per year)
- Temporary (contract of two years or less in duration)
- Not covered by TRS in a position otherwise covered by TRS

Contributions

Social Security requires that the equivalent of 12.4% of an employee's salary be contributed each month (6.2% employee, 6.2% employer). However, the FICA Alternative Plan requires only a 7.5% contribution to a retirement account. The deferrals are made on a "pretax" basis, unlike Social Security, which are made on an "after-tax" basis.

Investments

The FICA Alternative investment portfolio is selected by the employer and directly overseen by an Investment Advisory Committee. The portfolio is comprised of a broad range of stock and bond mutual funds, as well as individual bonds typically held to maturity. The portfolio is periodically adjusted to adapt to changing market conditions. You can view the investments as of the end of each calendar quarter and the asset performance data for the quarter, year to date and other time periods on the www.region10rams.org website.

Distributions

Employees or their beneficiaries will receive the FICA Alternative Plan account balance when an employee eligibility is met for any of the following reasons:

- Termination of Employment
- Permanent and Total Disability
- Death
- Retirement
- Changed employment status to a position covered by another retirement system (e.g., TRS)

Note: If there have been no contributions to the account for two (2) years and the account balance is less than \$5,000, the employee may be able to request a distribution.

Taxation

When the employee begins to receive benefits, the funds received become taxable income. If the taxable portion of the account balance exceeds \$200, the employee can avoid immediate taxation by directing the account balance to:

- A traditional IRA
- An eligible employer plan that accepts the rollover (i.e., TRS, 403(b), 457, etc.)

Designating a Beneficiary

If the employee dies while a participant in the Plan, the account balance will be distributed to the employee's beneficiary. If the employee is married at the time of death, the spouse is automatically the beneficiary. If the employee wishes to designate someone other than the spouse as beneficiary, the employee must do so in writing and the spouse must sign a spousal consent form. If the employee is unmarried at the time of death, the account balance will be paid to the employee's estate unless another beneficiary has been designated. To designate a beneficiary, please login to your account at www.region10rams.org using the instructions under "Account Access" below.
