Student Achievement

Student Achievement Summary

DAEP, JDC, and JJAEP students remain on campus for a short period of time during the school year. Students' Standardized scores for DAEP, JDC, and JJAEP are not rated by the state. Regardless of a student's At Risk status, socio-economic status, or reason for being at DAEP, JDC, and JJAEP, each staff member's goal is for all students to demonstrate sustained growth in student academic, and behavioral areas. The Discipline Alternative's programs (DAEP, JDC, and JJAEP) are used as district wide programs, which provide academic services to students across the entire district. The programs do not receive any state assessment scores in any academic area. The best approach is for the Discipline Alternative programs to use the overall District State Assessment scores to develop their plan of accountability in the development of the Campus Improvement Plan.
