# CISD Naloxone Program Expansion

- S.B. 629
- Approved by the House and Senate
- Signed by Governor Abbott June 18, 2023
- Status: Effective September 1, 2023
  - Awaiting rules from Health and Human Services
- Requires all school districts to adopt a policy on maintenance, administration, and disposal of opioid antagonists at each campus serving students in 6<sup>th</sup> grade and above. District's may *choose* to also adopt a policy for grades lower than 6<sup>th</sup>.
- Requires at least one authorized and trained individual on each campus during regular school hours.
- Provides for possible funding.

# Current Naloxone Program & Needed Additions

- **Current Conroe ISD Naloxone Program includes:**
  - Multiple doses of naloxone on Jr. High and High School campuses housed or carried by:
    - Clinic
    - Athletic Training rooms
    - Each CISD police officer
  - Training was provided for all nurses, clinic assistants, athletic trainers, and police officers
- **Additions needed to our current Naloxone Program to comply with S.B. 629:**
  - Supply Intermediate campuses and Flex campuses with naloxone doses
  - Determine if we expand current program to all campuses in the District
  - Determine how many doses each campus must maintain
  - Acquire additional naloxone doses based on new program guidelines
  - Determine storage location on campuses
  - Expand employee training to all campus administrators and possibly campus emergency response team members. Training may also include school volunteers.

Committee Input or Questions?

# Required Psychological First Aid Training

- [Link to the training will be provided via email with instructions](#)

The screenshot shows the NCTSN Learning Center website. The header includes the NCTSN logo and navigation links for PFA and SPR, Continuing Education, Military Families, Service Systems, Special Populations, Clinical Training, and Help. The main content area is for the course 'Psychological First Aid for Schools', recorded on Thursday, August 29, 2013, with a length of 1 hour 30 minutes and 1.5 CE credits. A blue button labeled 'Available Now' is present, with a note 'You can print your certificate here.' Below the course details are sections for 'Event Information', 'Speakers' (Melissa Brymer, Matthew Taylor, Douglas Walker), and 'Activities' (Presentation, Evaluation, Post-test, Certificate), each with a progress indicator. The footer includes the NCTSN logo and funding information.

- Email or call with ANY questions
