'\*' Indicates results are masked due to small numbers to protect student confidentiality.  
 '-' Indicates zero observations reported for this group.  
 'n/a' Indicates data reporting is not applicable for this group.  
 '?' Indicates that the data for this item were statistically improbable, or were reported outside a reasonable range.

**Part II: Student Achievement and State Academic Annual Measureable Objectives (AMOs)**

This section provides the STAAR performance results for each subject area tested in the 2015-16 school year. These results only include tested students who were in the accountability subset. This section also includes four-year and five-year graduation rates and participation rates on STAAR for

reading and mathematics.

**Part III: Priority and Focus Schools**

**Priority schools** are the lowest 5% of Title I served campuses based on performance in reading, mathematics and graduation rates. Priority schools include Tier I or Tier II TTIPS schools, campuses with graduation rates less than 60%, and lowest achieving campuses based on All Students reading/math performance. **Focus schools** are 10% of Title I served campuses, not already identified as priority schools, that have the widest gaps between student group performance and safeguard targets. Campuses are ranked based on the largest gaps between student group reading/math performance and the annual measurable objectives (AMO) target of 83%. Campuses were originally staged as priority and focus based on data from the 2013 Accountability Reports. Priority and focus schools having improved in performance and are no longer identified as improvement required for the August 2015 and 2016 ratings will include a "Progress" label. All schools that do not meet that criteria will remain identified as priority or focus.

**Priority School Identification:** No **Priority School Reason:** N/A  
**Focus School Identification:** No **Focus School Reason:** N/A

**A high-performance reward school** is identified as a Title I school with distinctions based on reading and math performance. In addition, at the high school level, a reward school is a Title I school with the highest graduation rates. **A high progress school** is identified as a Title I school in the top 25% in annual improvement; and/or a school in the top 25% of those demonstrating ability to close performance gaps based on system safeguards. The reward school identifications provided are for the 2015-2016 school year. Identifications for the 2016-2017 school year are pending.
