

# The Charter Kelsey-Seybold Plan

An affordable plan option for Conroe ISD employees.  
Offering **Quality, Convenience, and Value!**

**Conroe ISD**, in partnership with Kelsey-Seybold and UnitedHealthcare, brings you a high-quality, high-value health plan with access to top doctors and top hospitals. The **Charter Kelsey-Seybold Plan** offers **affordable copays** (\$35 for primary care and \$50 for a specialist, effective Sept. 1, 2020).

**High-quality care** with exceptional **care coordination** means **greater value** for you:

- ▶ Affordable premiums
- ▶ Affordable copays for physician office visits

Experience **QUALITY** and **SAVINGS** during the 2020-2021 plan year.

- ▶ **See any Kelsey-Seybold physician.** All Kelsey-Seybold physicians in Houston and surrounding locations are available to you, **no referral required.** You have access to hundreds of Kelsey-Seybold doctors in more than 55 medical specialties.
- ▶ **Access to high-quality affiliate specialists when needed.** Available by **referral** from your Kelsey-Seybold primary care physician, affiliate specialists include physicians at Texas Children's Hospital, Baylor College of Medicine, and other highly regarded physician organizations.
- ▶ **Virtual Health – Video Visits from your smartphone, tablet, or computer.** Get Kelsey-Seybold medical care for more than 50+ acute symptoms **seven days a week** from most anywhere with Video Visits especially for **Charter Kelsey-Seybold Plan** members. Adult and pediatric options available.
- ▶ **Access to world-class hospitals,** including Houston Methodist–The Woodlands, CHI St. Luke's Health–The Woodlands, Texas Children's Hospital–The Woodlands, Memorial Hermann–Texas Medical Center, and many others.
- ▶ **24/7 appointment scheduling.** Call **713-442-0000.**
- ▶ **Saturday appointments** are available at four convenient locations, including our Spring Medical and Diagnostic Center.
- ▶ **After-Hours Nurse Hotline** for confidential, expert assistance after hours at **713-442-0000.** Speak to Kelsey-Seybold registered nurses who have access to your electronic medical record.
