

PreK Family Engagement Plan

At Conroe Independent School District (CISD), we strive to maintain high levels of family involvement and positive family attitudes toward education. The goals of our Family Engagement Plan are to create a foundation for the collaboration of mutual partners, embrace the individuality and uniqueness of families, and promote a culture of learning that is child centered, age appropriate, and family driven. We believe that all parents, teachers, and community leaders are valuable contributors to the educational success of all students in CISD.

Components	Strategies
