The ballots shall be counted by one or more teams of election officers assigned by the presiding judges, each team to consist of two or more election officers. After completion of his responsibilities under the Election Code, including the counting of the voted ballots and the tabulation of the results, the presiding judge shall make a written return of the Election results to the District in accordance with the Election Code. The Board shall canvass the returns and declare the results of the Election.

If a majority of the resident, qualified electors of the District voting at the Election, including those voting early, shall vote in favor of a Proposition, then the issuance and sale of the bonds described in such Proposition shall be authorized in the maximum amount contained therein, and the bonds shall be issued and sold at the price or prices and in such denominations determined by the Board to be in the District’s best interest.

Section 10. Training of Election Officials. Pursuant to the Election Code, a public school of instruction for all election officers and clerks may be held as arranged or contracted by the Administrator.

Section 11. Notice of Election. Notice of the Election, stating in substance the contents of this Election Order, shall be published one time in the English and Spanish languages, in a newspaper published within the District's territory or, if none is published in the District's territory, in a newspaper of general circulation in the District's territory, at least ten (10) days and no more than thirty (30) days prior to Election Day. Notice of the Election shall also be given by posting a substantial copy of this Election Order, in both English and Spanish, (i) on Election Day and, during early voting by personal appearance, in a prominent location at each polling place and (ii) not later than the twenty-first (21st) day before the Election, on the bulletin board used for posting notices of meetings of the Board and in three (3) public places within the boundaries of the District. In addition, this Election Order (together with the notice of Election, the contents of the Propositions and any sample ballot prepared for the Election) shall be posted on the District's website, in both English and Spanish, during the twenty-one (21) days before the Election. Notwithstanding the above, the District shall not be required to post the Election Order on the bulletin board used for posting notices of meetings of the Board if the County maintains a website.

Section 12. Notice of Meeting. The Board officially finds, determines, recites and declares that written notice of the date, hour, place and subject of the meeting at which this Election Order is adopted was posted on a bulletin board located at a place convenient to the public at the District's administrative offices for a least seventy-two (72) hours preceding the scheduled time of the meeting; that a telephonic or telegraphic notice of such meeting was given to all news media who have consented to pay any and all expenses incurred by the District in connection with providing such notice, both as required by the Open Meetings Law, Chapter 551, Texas Government Code, as amended; and that such meeting was open to the public as required by law at all times during which this Election Order and the subject matter thereof was discussed, considered and formally acted upon.

Section 13. Mandatory Statement of Information.

(a) Pursuant to Section 3.009, Texas Election Code: (i) the proposition language that will appear on the ballot is set forth in Section 4 of this Election Order, (ii) the purposes for which the bonds are to be authorized are set forth in Section 3 of this Election Order, (iii) the principal amount of bonds to be authorized is set forth in Section 3 of this Election Order, (iv) if the issuance of bonds is authorized by voters, taxes sufficient, without limit as to rate or amount, to pay the annual principal of and interest on the bonds and the costs of any credit agreements may be imposed, as set forth in Section 3 of this Election Order, (v) bonds authorized pursuant to this Election Order may be issued to mature not more than 40 years from their date and bearing interest at the rate or rates (not to exceed the maximum rate now or hereafter authorized by law), as authorized by law and determined by the Board, (vi) as of the beginning of the District's current fiscal year, the aggregate amount of outstanding principal of the District's debt obligations was \$1,261,400,000, and the aggregate amount of outstanding interest on the District's debt obligations was \$624,497,261, and (vii) the District's ad valorem debt service tax rate as of the date of adoption of this Election Order is \$0.2200 per \$100 valuation of taxable property.

(b) Based upon market conditions as of the date of this Election Order, the maximum net effective interest rate for any series of the bonds is estimated to be 4.75%. Such estimated maximum interest rate is provided as a matter of information, but is not a limitation on the interest rate at which the bonds, or any series thereof, may be sold. In addition, the estimate contained in

this subsection (b) is (i) based on certain assumptions (including assumptions concerning prevailing market and economic conditions at the time(s) of issuance of the bonds) and derived from projections obtained from the District's financial advisor, (ii) subject to change to the extent that actual facts, circumstances and conditions prevailing at the time that the bonds are issued differ from such assumptions and projections, (iii) provided solely in satisfaction of the requirements of Section 3.009, Texas Election Code, and for no other purpose, without any assurance that such projections will be realized, and (iv) not intended to and does not give rise to a contract with voters or limit the authority of the Board to issue bonds in accordance with the Proposition submitted by this Election Order.

Section 14. Authority of the Superintendent. The Superintendent shall have the authority to take, or cause to be taken, all reasonable or necessary actions to insure that the Election is fairly held and returns properly counted and tabulated for canvass by the Board, which actions are hereby ratified and confirmed.

Section 15. Authorization to Execute. The President or Vice President of the Board is authorized to execute and the Secretary of the Board is authorized to attest this Election Order on behalf of the Board; and the President or Vice President of the Board is authorized to do all other things legal and necessary in connection with the holding and consummation of the Election.

Section 16. Effective Date. This Election Order is effective immediately upon its passage and approval.
