Graduation

Conroe ISD is still planning to hold graduations if the distancing orders at the time allow. If we are able to hold the events at The Cynthia Woods Mitchell Pavilion in May, we will. We have back-up dates in July. Sam Houston State University has canceled all high school graduations, which impacted Caney Creek High School. We were able to move their ceremony to The Pavilion. There may still be large group restrictions in place in May or July that could result in the ceremonies having a limited audience or no audience. We do stream all graduations online. This situation is fluid, but we are trying to hold graduations in some form to honor our students. Participation in the graduation ceremonies is optional.

District and campus administrators along with curriculum experts developed grading guidelines for the fourth nine-weeks. These guidelines provide that students will not be placed at a disadvantage as a result of the current situation and the fourth nine-week's grade will not be lower than the third nine-week's grade. To view the complete grading guidelines documents for elementary/intermediate and secondary, please visit our [Policies, Handbooks, and Forms webpage](#).
