

Can my child go to school today?

(Answer the 3 questions in the blue boxes.)

Do you believe your child may have been in contact with an individual who tested positive for COVID-19?

YES

NO

SAME HOUSEHOLD

• If positive individual in same household, 10-day quarantine required unless the student meets one of the exemption criteria below:

1. Fully vaccinated for COVID-19 & shows no symptoms (*Fully vaccinated students should consider getting tested 3-7 days after exposure, even if no symptoms; Should strongly consider wearing a mask indoors for 14 days after exposure.*) **OR**
2. Documented COVID-19 positive result within previous 6 months, has fully recovered, and remains without COVID-19 symptoms such as cough and shortness of breath

OUTSIDE OF HOUSEHOLD

- Ten-day quarantine highly recommended.
- If no symptoms, may come to school.
- Monitor for symptoms for 14 days from date of last contact with positive individual.
- Consider testing 3-7 days after exposure.
- Encouraged to wear a cloth face covering/mask indoors around others.

BOTH

- Stay home if symptoms develop and follow Return-to-School criteria.

- Come to school.
- If your child has not been absent for illness, they may go directly to class.

Is your child ill with cold/flu-like symptoms?
(runny nose, congestion, sore throat, persistent cough, difficulty breathing, headache, chills, loss of taste/smell, significant muscle pain/aches, diarrhea, or vomiting)

YES

NO

- Stay at home.
- Inform the school.
- Rest and recover.
- Call your healthcare provider if symptoms worsen.

- Come to school.
- If your child has not been absent for illness, they may go directly to class.

RETURN-TO-SCHOOL CRITERIA:

If your child has fever or other symptoms that could be from COVID-19 and does not get tested **OR** is not cleared by their healthcare provider, it is assumed the child has COVID-19 and may not return to school until the **following 3** criteria are met:

1. **Has been fever free for 24 hours without the use of medication**
2. **AND child has improved symptoms,**
3. **AND at least 10 days have passed since symptoms first appeared.**

Does your child have a fever of 100.0° F or higher?

YES

NO

- Stay at home.
- Inform the school.
- Rest and recover.
- Call your healthcare provider if symptoms worsen.

- Come to school.
- If your child has not been absent for illness, they may go directly to class.

Has your child been fever free without medication for 24 hours **AND** were they seen by their healthcare provider and diagnosed with something other than COVID-19?

YES

NO

- Come to school.
- Give the school nurse the healthcare provider note for return to school.

Follow **Return-to-School Criteria.**

*** Notify the school if your child tests positive and follow the Return-to-School criteria before returning to school.**
