

# Can my child go to school today?

(Answer the 3 questions in the blue boxes.)

Do you believe your child may have been in contact with an individual who tested positive for COVID-19?

**YES**

- Consider keeping your child home for 5 days after exposure if your child has been in close contact with a positive individual and your child **has not** had COVID-19 illness in the last 90 days **OR** your child **has not** been fully vaccinated for COVID-19.
- After the 5 days, consider testing and having them wear a mask around others for 5 additional days.

### All close contacts should:

- Watch for fever (100.0° F or above), cough, shortness of breath, or other symptoms of COVID-19.
- If symptoms develop, immediately self-isolate and contact your healthcare provider for guidance and testing.

**NO**

- Come to school.
- If your child has not been absent for illness, they may go directly to class.

Is your child ill with cold/flu-like symptoms?  
(runny nose, congestion, sore throat, persistent cough, difficulty breathing, headache, chills, loss of taste/smell, significant muscle pain/aches, diarrhea, or vomiting)

**YES**

- Stay at home.
- Inform the school.
- Rest and recover.
- Call your healthcare provider if symptoms worsen.

**NO**

- Come to school.
- If your child has not been absent for illness, they may go directly to class.

Does your child have a fever of 100.0° F or higher?

**YES**

- Stay at home.
- Inform the school.
- Rest and recover.
- Call your healthcare provider if symptoms worsen.

**NO**

- Come to school.
- If your child has not been absent for illness, they may go directly to class.

### RETURN-TO-SCHOOL CRITERIA:

If your child has fever or other symptoms that could be from COVID-19 and does not get tested **OR** is not cleared by their healthcare provider, it is assumed the child has COVID-19 and may not return to school until the **following 3** criteria are met:

1. **Has been fever free for 24 hours without the use of medication**
2. **AND child has improved symptoms,**
3. **AND at least 10 days have passed since symptoms first appeared.**

\*Student Return-to-School criteria for COVID-19 positive or suspected illness is set by the Texas Department of State Health Services.

Has your child been fever free without medication for 24 hours **AND** were they seen by their healthcare provider and diagnosed with something other than COVID-19?

**YES**

- Come to school.
- If your child has not been absent for illness, they may go directly to class.

**NO**

Follow **Return-to-School Criteria.**

**\* Notify the school if your child tests positive and follow the Return-to-School criteria before returning to school.**
