

Dear Incoming McCullough Students,

In Conroe ISD, we encourage all students to read over the summer in order to enrich learning and provoke thought. Summer reading strengthens reading skills, increases academic achievement, fosters a love for reading, and empowers students to become life-long learners.

Originally, our summer reading requirement asked all incoming 7th and 8th grade McCullough students to select and read any book of their choosing from the 2018 Lone Star Reading List included below. We still encourage students to read a book from this list, however we recognize that it may not be feasible this year due to the current financial state. We are not requiring the purchase of any books and students will not be penalized if they are unable to read a book from the 2018 Lone Star List. Instead, we simply encourage students, if at all possible, to continue reading anything that is accessible.

Further, in light of the current public health situation and modified learning environment, we will not be requiring students to complete any assignment or project over summer reading for the 2020-2021 school year.

Our school district has provided us with a list of a number of ways to access free books online.

The Texas Lone Star list is a recommended reading list developed by public and school librarians from the Young Adult Round Table. The purpose of the list is to encourage students in grades 6, 7, or 8 to explore a variety of current books. The Lone Star list is intended for recreational reading, not to support a specific curriculum. Due to the diversity of this age range, Texas librarians should purchase titles on this list according to their individual collection policies. The annotated 2018 Lone Star Reading List, past Lone Star Reading selections, and additional resources are available at: <https://txla.org/wpcontent/uploads/2019/02/2018LoneStarAnnotated.pdf>
