

CISD Leadership Academy

A series of professional learning opportunities for Conroe ISD team members interested in developing leadership skills in their current positions or in becoming principals, assistant principals, Teaching and Learning coordinators, counselors, diagnosticians, specialists, or other leadership roles. The training series provides support for current teachers seeking to enhance their leadership skills and knowledge, for individuals who aspire to become campus administrators, for individuals seeking future district leadership opportunities other than campus administration, and continued support and refinement for current administrators. Our mission is to develop and promote exceptional leaders for student success.

List of Staff Professional Learning Offered:

- CISD Leads Showcase
- CISD Leadership Conference
- Aspire to Lead
- Aspiring Assistant Principals
- Aspiring Principals
- Assistant Principal Meeting
