

CODING GUIDELINES FOR TECHNOLOGY & AUDIO VISUAL

Use this chart to determine the correct codes and shipping for your requisition.

The following items should be coded to the expenditure object (account) codes as per the column listed - 6317 or 6399

**If there is a T in the DEPT code column, choose the DEPT code with a "T" at the end so the requisition can be routed through Technology for a 2nd level of approval. **
