CONROE
INDEPENDENT
SCHOOL DISTRICT

We are very excited about your interest in Conroe ISD and have assembled this brochure to help you get acquainted with our District.

Conroe ISD administration, faculty, and staff are a learning community committed to providing the best possible learning environment to produce confident and competent leaders of tomorrow.

Conroe ISD covers 348 square miles and currently is home to approximately 67,000 students, 10,000+ employees, and 65 campuses. We offer a comprehensive core academic program, a cutting edge Career and Technical Education curriculum, a slate of fine arts courses, and a vast array of athletics to meet the needs and interests of all students. Please visit our website, www.conroeisd.net, to obtain more detailed information regarding our schools and various departments outlined in this brochure.

Please contact our Human Resources Department at 936.709.7859 if you are in need of further information or if you have any questions.

We look forward to meeting and visiting with you in the near future.

Sincerely,

Curtis Null
Superintendent

A Brief History of Conroe ISD

In 1886, the Conroe Public School's first classes were opened in a one-room school constructed of rough lumber near the present community of Beach. It was called Conroe Mill School and was open each year for a five-month term. The first African American school was located in the Central Baptist Church at Madeley Quarters. The Conroe Independent School District was created by the Commissioners Court of Montgomery County, Texas, July 12, 1892, by consolidating the 12 Common School Districts surrounding Conroe. This area covered 25 square miles. The 39th Legislature of the State of Texas in 1925 mandated the enlargement of the District by keeping intact the already defined 25 square miles and adding numerous other surrounding school areas, bringing the District to 333 square miles. On June 22, 1992, the annexation of 7,781 acres of Magnolia Independent School District increased the Conroe ISD to the current size of 348.09 square miles.

Prior to the 1925 consolidation, few rural children were able to attend high school. The first graduating class of Conroe High School, one male and three female students, received their diplomas in 1902. At the beginning of the 2021-2022 school year, Conroe ISD welcomed students to its 31 elementary schools, 4 K-6 schools, 10 intermediate schools, 7 junior high schools, 3 ninth grade schools, 7 high schools, 3 alternative education placement centers, and 3 academies located within high schools.

Conroe Independent School District has made major strides since its rural beginning in 1886, becoming one of the fastest growing school districts in the nation. Currently CISD has approximately 67,000 students and 10,000+ employees. Conroe ISD grows by approximately 1,500 students per year.

Conroe ISD

2021-2022 | DIP Goals

Goal 1.0 | Student Achievement & Post-Secondary Success

CISD will prepare all students for graduation and post-secondary success by providing access to a high-quality curriculum that is TEKS-aligned, relevant, and delivered consistently using resources that engage students and challenge them in their learning at appropriate levels.

Goal 2.0 | Leadership & Fiscal Responsibility

CISD will foster the development of successful and dynamic leaders who effectively and efficiently manage their teams and fiscal resources.

Goal 3.0 | Recruitment, Development, & Retention of Staff

CISD will recruit, develop, and retain a highly-qualified staff to ensure effective instruction for all students.

Goal 4.0 | Safe & Collaborative School Culture

CISD will strive to cultivate a safe, positive, and collaborative school culture, conducive to learning, by creating and implementing specific behavioral expectations and management systems, developing responsive student support teams that focus on the needs of every student, and enhancing two-way communication and building partnerships with parents and the community in accordance with the education standards outlined by the State and the values of our community.

Goal 5.0 | Effective Instruction

CISD will deliver meaningful instruction through objective-driven lessons and rigorous learning experiences using appropriate technology and instructional resources, and CISD will analyze data from ongoing formative assessments to foster the development of critical-thinking skills for all learners.

- This opens the CISD **Recruiting Page**. From here:

Apply Online

[Fill Out an Online Application →](#)

Complete and submit a Professional Application electronically. Upload required documents including résumé, transcripts, and letter of interest.

Current Job Postings

[View Current Job Postings →](#)

Review positions for which you are qualified to teach. Click on the individual Job Title. Then, click on Login to Apply following the directions connecting the position to your application. Repeat as needed.

- Employment opportunities will be updated daily as vacancies become available. Continue to apply for specific positions of interest.

Interviewing Process

Principals schedule their own interviews at the campus level. In order to make the interviewing/hiring process as streamlined as possible, please do not contact principals directly by telephoning or stopping by his/her office.

Hiring Process

Recommendations for employment are made by the campus principals. Once an applicant has been recommended for employment, they will be contacted by Human Resources to complete onboarding paperwork and to attend New Hire Orientation.

Conroe ISD Welcomes

Alternative Certification Program (ACP) Applicants

Conroe ISD seeks highly qualified applicants, whether through traditional means or alternative certification. In order to be employed by the District, applicants must meet their program requirements, must provide a Statement of Eligibility, and must be recommended for their Texas teaching certificate.

Why Conroe ISD?

CISD...

- **sponsors cohorts** with colleges and universities to develop master of education and doctoral programs for professional staff members.
- maintains the Minority Council for Teacher Recruitment and Retention in **support of diversity**.
- continues to improve the District's ability to provide **an ethnically and racially diverse staff**, serving 27 Title I and/or bilingual schools.
- participates in Region 4 **Human Resources Services Assistance**.
- offers opportunities for **professional development through partnership** with area colleges and universities, college educator preparation programs, college advisory boards for bilingual and educator preparation programs, and Grow-Our-Own/Conroe ISD Education Foundation scholarship initiatives.

What is right for me?

Certification Level Content Test Considerations

- EC-6*** Must pass the Core Subjects EC-6 to teach any subject in grades PK to 6th, including P.E. and Fine Arts.
- 4-8*** At this level, there are options from which to choose. If the Core Subjects 4-8 is passed, any core subject in grades 4-8 may be taught. In many schools with these grades, teachers are required to teach more than one subject. By testing in single content areas for grades 4-8, the teacher is limited to one subject which may reduce the number of opportunities for which to be considered.
- 7-12** Must pass the content area test for the subject to be taught.

Special Education EC-12

For new special education teachers who will provide grades in core content areas, the special education test as well as the content area test for the subject to be taught must be passed. Passing the Core Subjects EC-6 or 4-8 will enable the teacher to teach any subject within the range of the test(s) taken. For grades 7-12, in addition to passing the special education test, the content area test must also be passed. In situations where a teacher in grades 7-12 is not providing grades in core content areas, but is providing in-class support, then only the Special Education EC-12 test is required.

* Beginning 1/1/2021, the Science of Teaching Reading is an additional required test for Core Subjects EC-6, Core Subjects 4-8, ELAR or ELAR/SS 4-8, and the Early Childhood: PK-3 exams. Certification requirements may be subject to change, so stay informed by remaining in contact with your Educator Preparation Program.

Employee Benefits

The Conroe Independent School District proudly offers all qualifying employees an excellent benefits package, including a Section 125 Flexible Benefit Plan. Self-funded group medical and pharmacy coverage benefits are administered by UnitedHealthcare. Currently, the District contributes \$446 per month, per employee toward medical insurance premiums, making the cost of employee only coverage as low as \$94 per month. Additional group benefits such as dental, vision, cancer, disability, and life insurance are also available. Conroe ISD has an employee health and wellness center that provides convenient access to experienced medical professionals for as little as \$10 for employees and their dependents.
