

Dear Conroe ISD Employees and Employment Verifiers,

We are pleased to announce that Conroe Independent School District now uses The Work Number® to provide automated employment and income verification for our employees.

The Work Number® is a fast and secure way to provide proof of your employment or income, a necessary step in many of today's life events including obtaining credit, financing a home or automobile, obtaining a housing lease or securing government benefits or services. The Work Number® simplifies the verification process and accelerates qualifying decisions through an online system available to verifiers 24 hours a day, 7 days a week.

For commercial verification of employment, please contact www.theworknumber.com/verifiers or 1-800-367-5690 with the Conroe ISD code **19071**.

For social services verifications, please contact www.theworknumber.com/socialservices or 1-800-660-3399 with the Conroe ISD code **19071**.

If your verifier is requiring a salary key, please contact the Conroe ISD payroll department at 936-709-7722 between 8:00 a.m. and 4:30 p.m.

Thank you,
