*Available in select states.

**These degrees are designed to provide adequate subject content coupled with teacher preparation from the College of Education. (1) Initial Program--Leads to Initial Teacher Licensure (2) Initial Program--Does Not Lead to Teacher Licensure This program does not include a student teaching component, and does not therefore lead to licensure, but may lead to career advancement for those already licensed as teachers. (3) Advanced Program for Continuing Professional Education (4) Advanced Program for Principal Licensure. Applicants to the program are responsible for contacting their state department of education for licensure requirements and program approval. Arizona or home state fingerprint/background clearance is required for all practicum/field experiences and student teaching.

*Offered in quantitative and qualitative methodologies.

† Nevada program only

Furthermore, applicants should consult the Grand Canyon University Catalog, the University Policy Handbook and an academic counselor to obtain information regarding current policies and procedures inherent in a teacher licensure program. In order to meet the needs of our students, Grand Canyon University frequently adds new degree programs. For the most up-to-date program list visit www.gcu.edu. Please note, not all GCU programs are available in all states and in all learning modalities. Program availability is contingent on student enrollment. Grand Canyon University is regionally accredited by the Higher Learning Commission 800-621-7440; <http://hlcommission.org/>. The baccalaureate degree in nursing, master's degree in nursing and Doctor of Nursing Practice at GCU are accredited by the Commission on Collegiate Nursing Education (<http://www.aacn.nche.edu/ccne-accreditation>). GCU's College of Nursing and Health Care Professions is also approved by the Arizona State Board of Nursing. Important policy information is available in the University Policy Handbook at <https://www.gcu.edu/academics/academic-policies.php>.
