Approval of Minutes

The minutes of the February 28, 2022 SHAC meeting were reviewed by Misty Westover, Parent Co-Chair, and approved as submitted.

- Motion: Joe Daw
- Second: Jill Phillips

PE & Health Instructional Materials Update

The SHAC's recommendation for the adoption of the Goodheart-Willcox instructional materials for Health and Physical Education was approved by the Board of Trustees at the March 22nd School Board Meeting. The Instructional Materials Allotment (IMA) Committee approval for the purchase of instructional materials took place on April 4th. Approval was also granted for the purchase of the CATCH program's instructional materials to support our elementary health and physical education curriculum and the intermediate and junior high coordinated approach to student health.

SHAC Vision, Mission, and By-laws Update

Mrs. Westover led a subcommittee tasked with developing a vision statement, a mission statement, and a set of by-laws for the SHAC. Conroe ISD Board Policy, coupled with the vision, mission, and by-laws of other SHACs within Texas, guided the work of the subcommittee. Mrs. Westover presented the results of the subcommittee's work to the SHAC. The subcommittee will make revisions as needed, the final draft will be presented at the next SHAC meeting, and the approved vision, mission, and by-laws will be posted on the SHAC webpage, making them more accessible to the public and to those interested in potentially joining the SHAC.

Opioid Abuse

Captain Matt Blakelock, Conroe ISD Police Department, presented on the dangers of opioid use and abuse. Capt. Blakelock shared information about how the opioid crisis began, the types of opioids and the common names for them, the effects of opioids,

the signs of abuse, and the risks of opioid use. State and national statistics for opioid use were shared. Capt. Blakelock also led a discussion on actions people can take to prevent the misuse of opioids.

Overview of Future Meeting
