Summer School Rules and Guidelines

All summer school course grades, including failing grades, will appear on the student's official transcript and will affect his/her GPA. Any course attempted and dropped after the first week has elapsed will result in a grade of "WF" (Withdrawn Failing), which will appear on the student's official transcript and will affect GPA.

Campus and CISD Code of Conduct rules will apply. Students will be given specific rules on the first day of class. A closed campus will be observed during summer school.

A minimum of 15 students must enroll in a course in order for the course to be held.

Attendance: Regular attendance is of great importance. Students will be held responsible for all work missed due to an absence without any undue amount of work on the part of the instructor.

- **Only ½ day of absence per session is allowed in summer school regardless of the number of sessions/courses taken.**
- Students leaving school 15 minutes or more before school is dismissed will receive an equivalent of a tardy. Four tardies result in one absence.
- **Tardies:** A tardy is from 0-15 minutes late to class. Four tardies will result in one absence. A ½ day absence results if a student is more than 15 minutes late to class or school. A full-day absence will be recorded for any student failing to attend class after any break.
- Semester exams are administered the last day of each session. There are no test exemptions in summer school. **Students must be present the last day of each session to receive credit in the course.**

If a student withdraws after the second day of summer school, tuition will not be refunded. If students are dropped for disciplinary reasons, they will forfeit their tuition.

Students who choose to eat at school will need to bring a lunch. Limited snacks and drinks will be available for sale by booster organizations in the cafeteria area during break time.
