Top 10% rule:

Students who rank in the top 10% of their class receive automatic admission to any Texas Public University, except for the University of Texas. For Fall 2022 UT freshman, automatic admissions is the top 6%. Although SAT/ACT scores are not considered for admissions, they must still be submitted during the application process.

Priority Admission Deadline:

Applications must be submitted by this date to be admitted under the top 10% rule or a university's general admission requirement cut-offs. Applications received after a priority deadline will be reviewed individually.

Review/consideration:

Universities will consider students who fall under their automatic admit cut-offs. However, it's crucial to submit essay C, letters of recommendations, and a strong resume to bolster your case for admittance. Another good strategy is to retake your SAT score and submit it (even if it's past the deadline).

Priority Financial Aid Deadline:

FAFSA/TASFA applications received by this deadline will have first priority for funds. Students submitting a FAFSA/TASFA after this deadline still can receive financial aid; however, they might not receive as much or their financial aid award may be delayed. ALWAYS submit your FAFSA/TASFA though—even if you miss this priority deadline!

SAT composite scores listed are the combined math and critical reading scores.
