\*Instructions for delivery such as room location, person, or intention should be made in the Comments field on the Warehouse Requisition page during new requisition entry. This helps us organize our pending deliveries.

If we are out of stock on a particular item, please request a quote to purchase directly from the vendor. "Inventory Safety Point has been reached" means we are out of stock. Quotes from vendors can be requested via email to Richard Rodriguez - ricrodriguez@conroeisd.net

\*For Current iPad Pricing, see Apple iPad Purchasing instructions and current quotes on Technology Purchasing Website at:  
<https://www.conroeisd.net/departments/technology/technologypurchasing/>

\*Chromebooks must be purchased with a Google Management license. This is to add the Chromebook to the CISD Enterprise Console for students and staff to login with their credentials. For Chromebooks, use the quote in the Chromebook section of this form above.
