** Executive Session Authorization during Meeting

The Board of Trustees may conduct a closed or executive meeting or session under the Texas Open Meetings Act, Government Code, Chapter 551, Subchapters D and E. Before any closed meeting is convened, the presiding officer will publicly identify the section or sections of the Act authorizing the closed meeting. All final votes, actions, or decisions will be taken in an open meeting. The Board of Trustees may convene in closed or executive session or meeting as authorized by the Texas Open Meetings Act, under the following Texas Government Code Sections:

§551.071 – For a private consultation with the Board's attorney on any or all subjects or matters authorized by law including board governance;

§551.072 – To discuss the purchase, exchange, lease, or value of real property;

§551.073 – To consider a negotiated contract for prospective gifts or donations;

§551.074 – To consider the appointment, employment, evaluation, reassignment, duties, discipline, or dismissal of public employee(s)/officer(s) including board governance, and to propose termination for good cause and authorize notice proposing termination of the probationary employment contract of Cari Churchill, and/or to hear complaints or charges against public employee(s)/public official(s).

§551.076 - To consider the deployment, or specific occasions for implementation, of security personnel or devices;

§551.082 – To consider the discipline of a public school child or children or to hear a complaint for an employee against another employee;

§551.0821 – For a matter regarding a public school student if personally identifiable information about the student will be revealed by the deliberation;

§551.084 - To exclude any witness or witnesses from a hearing during the examination of another witness

§551.089 – Deliberation regarding security devices or security audits

Should any final action, final decision, or final vote be required in the opinion of the Board with regard to any matter considered in such closed or executive session, then such final action, final decision, or final vote shall be at either:

a) the open meeting covered by this notice upon the reconvening of the public meeting; or

b) at a subsequent public meeting of the Board upon notice thereof as the Board shall determine.

Special Board Recognition 2024 Texas Music Educators Association All-State Musicians

Recommendation:

That the Conroe Independent School District Board of Trustees gives special recognition to the 30 students named 2024 Texas Music Educators Association (TMEA) All-State musicians as submitted by Sarah Blakelock, Executive Director of Communications, and as recommended by Dr. Curtis Null, Superintendent of Schools.

Explanation:

The TMEA Texas All-State competition is a competitive process that begins throughout the state in auditions hosted by 33 TMEA Regions. Individual musicians perform selected music for a panel of judges who rank each instrument or voice part. From this ranking, a select group of musicians advances from their Region to compete against musicians from other areas in eight TMEA Area competitions. The highest-ranking musicians judged at the TMEA Area competitions qualify to perform in a TMEA All-State music group. This year, they have experienced the joy of growth and accomplishment that this rigorous process affords. These All-State students participated in three days of rehearsals directed by nationally recognized conductors during the TMEA Clinic/Convention. Their performances for thousands of attendees brought this extraordinary event to a close.

Over 1,800 students are selected through a process that begins with over 70,000 students from around the state vying for this honor to perform in one of 16 ensembles (bands, orchestras, and choirs). Less than 2.6 % of musicians who initially audition become All-State musicians, and 30 of these students are from Conroe ISD.

Conroe ISD All-State Musicians are Logan Bass, Ashlyn Burrer, Jadon Chan, Camden Clough, Drew Cole, Dominic Dy, Arturo Gonzalez, Siddhartha Gottumukkula, Harrison Griffith, Drew Guerrero, Tyler Hedgepeth, Rhett Hollier, JD Johnson, Charlotte Juneau, Ishmael Kabore, Rusetsa Karamagi, Zackary LeBlanc, Kayla Lewis, Noah O'Brien, Kasen Owens, Michael Pardo, Jacob Pawlik, Adrian Quintana, Wiley Sadlier, Aldo Villanueva, Nethum Weerasinghe, Zoë Winn, Evan Work, Ellie Yarbrough, and Cody Zuvich.

Dr. Robert Horton, Director of Fine Arts, will introduce these outstanding musicians and their instructors.

Budget Amendment Executive Summary

The budget amendment for the month of February includes both budget amendments and budget transfers.

Budget Amendment

The budget amendment for the month of February totals \$2,305.98 in revenues and \$2,305.98 in appropriations. The budget amendment is broken down into two categories, 1) General Fund (the district's operating fund), and 2) All Other Funds.

- 1) The budget amendment in the General Fund for the month of February includes a \$22,000,000 revenue reallocation which is a result of the implementation of Senate Bill 12 from the 87th Legislative Session. The over 65 and disabled tax ceilings were recalculated to reflect the benefit of tax compression from HB3 (86th Legislative Session) reducing the amount of tax levy due to the district. The state will hold districts harmless for this reduction in levy. The end result is less local tax revenue collected and more state revenue generated. The budget amendment also includes an activity fund donation totaling \$2,305.98
 - Hines Elementary School for \$2,305.98 (Playground Shade Structure)
- 2) There are no budget amendments in All Other Funds for the month of February.

Budget Transfers

Budget transfers consist of funds transferred within the same fund but changing functions. These transfers are found within the General Fund and All Other Funds. The total amount of all transfers is \$574,592.66. Approximately 86% or \$496,509.83 of the transfers is found in the general fund. The remaining \$78,082.83 is located within the District's grant funds.

Consider and Approve Texas Teacher Evaluation and Support System (T-TESS) Appraisers

Recommendation:

That the Conroe Independent School District Board of Trustees ratify qualified staff that may serve as a teacher appraiser for the 2023-2024 school year, as submitted by Paula Green, Executive Director of Human Resources, and as recommended by Dr. Curtis Null, Superintendent of Schools.

Explanation:

The *Texas Teacher Evaluation and Support System* (T-TESS) is currently the State approved instrument designed to evaluate teachers and establish a system of support. In addition to the three-day T-TESS Appraiser Training, T-TESS appraisers must successfully complete a 36-hour *Instructional Leadership Training* (ILD) or a three-day Advancing Educational Leadership (AEL) training. We respectfully submit the following names for your approval.

Review and Confirm Approval of Memorandum of Understanding with the Montgomery County Juvenile Probation Board

Recommendation:

That the Conroe Independent School District Board of Trustees review and reaffirm their approval of the Memorandum of Understanding with the Montgomery County Juvenile Probation Board for the provision of educational services to students confined in the Juvenile Detention Center as submitted by Carrie Galatas, General Counsel and Dr. Curtis Null, Superintendent of Schools.

Explanation:

In 2008 the District and the Montgomery County Juvenile Probation Board (Juvenile Board) entered into a memorandum of understanding (MOU) outlining the responsibilities of the parties as they relate to providing educational services to students confined to the Montgomery County Juvenile Detention Center (JDC). That MOU is attached. In January 2013 the Board of Trustees approved a supplement to the 2008 MOU. The supplement was necessary for the District to be compliant with federal regulations that govern funding for the program. The 2013 supplement is also attached. State and Federal regulations require the Board of Trustees to annually review the MOU and confirm the District's continued commitment to the MOU. The attached resolution documents the Board's action and modifies the notification provision of the original MOU to reflect updated notice contact information.

Memorandum of Understanding between the Conroe Independent School District and the Montgomery County Juvenile Probation Board

This memorandum of Understanding is made and entered into on January 15, 2013 by and between the Conroe Independent School District (CISD) and the Montgomery County Juvenile Probation Board (Juvenile Board).

CISD is the authority charged with the responsibility of operating the free public schools within the boundaries of the Independent School district, including providing educational programs for juveniles housed at the Juvenile Detention Center (JDC).

The Montgomery County Juvenile Probation Board (Juvenile Board) is the authority charged with the responsibility of providing for the temporary and safe custody of juveniles accused of conduct subject to the jurisdiction of the juvenile court who require a restrictive environment for their own, or the community's protection while legal action is pending. The Juvenile Detention Center is a "secure detention facility" as defined by Texas Family Code §51.02.

To full fill their responsibilities in accordance with Subpart 2, Section 1425 of the No Child Left Behind Act of 2001 (now known as ESEA Elementary and Secondary Education Act or ESEA), the parties agree to:

- (1) where feasible, ensure that educational programs in the correctional facility are coordinated with the student's home school, particularly with respect to a student with an individualized education program under part B of the Individuals with Disabilities Education Act:
- (2) if the child or youth is identified as in need of special education services while in the correctional facility, notify the local school of the child or youth of such need;
- (3) where feasible, provide transition assistance to help the child or youth stay in school, including coordination of services for the family, counseling, assistance in accessing drug and alcohol abuse prevention programs, tutoring, and family counseling;
- (4) provide support programs that encourage children and youth who have dropped out of school to reenter school once their term at the correctional facility has been completed, or provide such children and youth with the skills necessary to gain employment or seek a secondary school diploma or its recognized equivalent;
- (5) work to ensure that the correctional facility is staffed with teachers and other qualified staff who are trained to work with children and youth with disabilities taking into consideration the unique needs of such children and youth;
- (6) ensure that educational programs in the correctional facility are related to assisting students to meet high academic achievement standards;
- (7) to the extent possible, use technology to assist in coordinating educational programs between the correctional facility and the community school;

- (8) where feasible, involve parents in efforts to improve the educational achievement of their children and prevent the further involvement of such children in delinquent activities;
- (9) coordinate funds received under this subpart with other local, State, and Federal funds available to provide services to participating children and youth, such as funds made available under title I of Public Law 105-220, and vocational and technical education funds;
- (10) coordinate programs operated under this subpart with activities funded under the Juvenile Justice and Delinquency Prevention Act of 1974 and other comparable programs, if applicable; and
- (11) if appropriate, work with local businesses to develop training, curriculum-based youth entrepreneurship education, and mentoring programs for children and youth.

This agreement is intended to supplement the Memorandum of Understanding agreed to by the parties in November 2008 and shall be reviewed annually on or before its anniversary date.

Ray Sanders, President CISD

MEMORANDUM OF UNDERSTANDING

between

The Conroe Independent School District and

The Montgomery County Juvenile Probation Board

This Memorandum of Understanding is made and entered into on November 3, 2008, by and between the Conroe Independent School District (CISD) and the Montgomery County Juvenile Probation Board (Juvenile Board).

T

CISD is the authority charged with the responsibility of operating the free public schools within the boundaries of the Independent School District, including providing educational programs for juveniles at the Juvenile Detention Center (JDC). To fulfill that responsibility, CISD agrees to:

- 1. Administer the educational program at the JDC, located at 200 Academy Drive, Conroe, Texas, 77301.
- Ensure that regular and special education services are provided during the traditional academic school year to all JDC youth residing and assigned to the JDC.
- Provide educational services upon completion of enrollment in accordance with Texas Education Agency rules, applicable federal regulations, Section 504 of the 1973 Rehabilitation Act, and the Individuals with Disabilities Education Act (IDEA). Referral assessments will be determined in accordance with State Board of Education rules.
- Ensure that all educational instruction programs comply with CISD policies, Texas Education Agency rules, state and federal statutes - including Texas Essential Knowledge and Skills curriculum.
- Provide a class size of student to teacher ratio of no more than sixteen (16) students to one (1) teacher. Educational aides shall be assigned to assist teachers as appropriate and in accordance with District guidelines.
- Provide a maximum number of hours of instructional time during the traditional school day, including special educational services and English as a second language (ESL) for JDC students.
- Provide substitute teachers for absent teachers through the traditional academic school year.

- Supply the curriculum, the necessary instructional equipment and materials
 including but not limited to instructional software and computers, for all the
 educational programs at the JDC. Instruction will be focused on receipt of
 credits.
- 9. Enroll all students in courses in which they will receive grades and credits with documented efforts toward mastery of the Texas Essential Knowledge and Skills in accordance with Texas Education Agency rules that can be transferred to their subsequent school after they are released from the JDC.
- 10. Provide accelerated and/or tutorial instruction courses to those students who lack the academic skills to complete on-grade level work and provide grade level instruction to those students performing on-grade level;
- 11. Follow federal and state laws, rules, policies and procedures for admission to, review of, and dismissal from special education programs for students with disabilities. The eligibility of each JDC student shall be determined individually according to the Texas Education Agency rules, District policies, state and federal regulations.
- 12. Appropriately place eligible special education students that have transferred from another school district and who are currently receiving special education services. A temporary placement ARD committee meeting will be held in accordance with the State Board of Education Rules and federal and state law will be conducted to determine appropriate placement.
- 13. Determine through the Admission, Review and Dismissal (ARD) committee, each special education student's education services. Each special education student shall be placed in his least restrictive educational environment.
- 14. Provide students service(s) when the ARD committee determines the service(s) is necessary to support the educational needs of the student as specified by the Individual Education Plan (IEP).
- 15. Provide Extended Year Services (EYS) as determined by the ARD committee on an individual basis based upon established state criteria.
- 16. Implement an IEP for each student who qualifies for services under IDEA.
- 17. Issue grade reports and when applicable course credits and recommend appropriate placement for each student who is released from the JDC. Course credit will be earned through direct instruction or alternative measures with standard assessment. Grade and progress reports will be in a format consistent with the regular campuses.

- 18. Maintain individual achievement records for each student and furnish the official withdrawal forms to the JDC when a student withdraws and, upon request, to future schools in which the student enrolls.
- 19. Provide JDC staff with appropriate student classroom behavior and academic progress summaries.
- 20. Provide training to appropriate JDC personnel regarding CISD policies and procedures for student management, communication between District and JDC staff, and the confidentiality of CISD student educational records.
- 21. Recruit, assign, and supervise all educational and instructional personnel at the JDC.
- 22. Evaluate all educational and instructional personnel assigned to the JDC in accordance with CISD policy.
- 23. Require educational and instructional personnel assigned to the JDC to adhere to the CISD official school calendar with the exception of the summer school session including teaching days, in-service training, staff development, teacher workdays, holidays, bad weather days, etc.
- 24. Require all educational and instructional personnel to be responsible for maintaining an orderly classroom learning environment.
- 25. Ensure all CISD educational instructional personnel assigned to the JDC shall hold the appropriate certification or permits as required by the Texas Education Agency. Official copies of certification shall be filed at the CISD personnel office.
- 26. Cooperate with the JDC in identifying areas needing improvement and in implementing improvement plans where necessary to maintain performance measures.

II

The Montgomery County Juvenile Probation Board (Juvenile Board) is the authority charged with the responsibility of providing for the temporary and safe custody of juveniles accused of conduct subject to the jurisdiction of the juvenile court who require a restricted environment for their own, or the community's protection while legal action is pending. To fulfill that responsibility, the Juvenile Board agrees to:

 Promptly provide CISD all educational information for JDC students required by the State Board of Education rules available to JDC or in JDC's possession.

- Provide educational space in classrooms that meet Texas Education Agency expectations.
- 3. Provide furniture for individualized instruction if such is not available from CISD.
- 4. Provide materials and school supplies ordinarily provided by the student's parent or guardian.
- 5. Provide, at the JDC, adequate space, including a telephone, for use by CISD staff in the performance of their educational duties.
- 6. Ensure that all educational space at the JDC complies with fire, safety, and health standards to which both entities facilities are subject.
- 7. Provide a secure space accessible only by CISD personnel for storage of confidential education records.
- 8. Notify CISD in writing at least 30 days in advance of any program or building structural changes being made to any classroom or support area unless emergency circumstances prohibit such notice.
- 9. Provide training to CISD personnel in the safe evacuation of JDC students and staff in the event of fire or other catastrophe at the JDC.
- 10. Provide training to appropriate CISD personnel regarding JDC policies and procedures for student management, communication between District and JDC staff, and the confidentiality of JDC student records and information.
- 11. Make available qualified JDC personnel at all times for immediate crisis intervention and classroom management.
- 12. Provide support staff to ensure safe and timely transitions of students between classrooms and other areas of the JDC.
- 13. Ensure that students arrive to class on time.
- 14. Supervise all youth during state-mandated teacher duty-free lunch periods.
- 15. Require JDC Juvenile Probation Officers (JPO) or an appropriate designee to attend ARD committee meetings of students residing in the JDC.
- 16. Promptly report, in writing, to CISD any mistreatment allegations lodged by JDC students or staff against CISD personnel. In accordance with JDC policies, the administrator or designee will complete the required

investigation, inform CISD of the determination of the investigation, and recommend any necessary action.

 Require a JDC representative to participate in CISD's campus site-based planning committee meetings.

III.

- 1. CISD shall be entitled to all funds from any state and federal source related to the provision of education to students pursuant to this Agreement.
- 2. Juvenile Board's obligations under this Agreement are contingent upon actual receipt of funds from the Legislature for the performance of this Agreement. Should the Legislature cut is overall appropriation to the Juvenile Board for this program during the term of this Agreement, or should any grant funding be rescinded, the Juvenile Board has the option to cancel this Agreement with 90 days written notice to CISD anytime prior to the expiration of this Agreement.
- 3. In the performance of this Agreement, it is mutually understood and agreed that CISD and all its employees are at all times acting and performing as independent service providers, and not employees, agents, joint ventures or lessees of the Juvenile Board. The Juvenile Board shall neither have nor exercise any control or direction over educational services provided under this Agreement. All benefits for CISD employees, including unemployment, compensation, leave, retirement benefits, or any other employee benefits, shall be the sole responsibility of CISD. Likewise, JDC and all its employees are at all times acting and performing as independent service providers, and not employees, agents, joint ventures or lessees of CISD. CISD shall neither have nor exercise any control or direction over detention related services provided under this Agreement. All benefits for JDC employees, including unemployment, compensation, leave, retirement benefits, or any other employee benefits, shall be the sole responsibility of the Juvenile Board.
- CISD and JDC will mutually establish the procedures for CISD and JDC staff to follow in the use of the classrooms and designated educational office areas at the JDC.
- 5. Student eligibility folders containing documents for audit under Texas Education Agency rules shall be maintained by the CISD special education staff. Such folders are available for examination by State of Texas auditors, Texas Education Agency personnel, TYC and JDC staff, and "eligible persons" under the Family Education Rights and Privacy Act.
- CISD's administrators and professional employees shall have access to JDC student information and records to the extent necessary to perform under the

terms of this Agreement. All County and CISD employees involved in the program shall follow and shall maintain the confidentiality of student information. Except as required by law, no student information shall be released to anyone outside CISD or JDC for any purpose without proper authorization.

7. Any notices, demands, requests, and other communication required between the parties under this Agreement must be in writing and shall be delivered in person, mailed, or transmitted by facsimile as follows:

- The dispute resolution provision in Chapter 226 of the Texas Government Code shall be used by the JDC and CISD to attempt to resolve any claim for breach of contract made by either party.
- 9. Either party upon written notice to the other party may terminate this Agreement by giving written notice to the other side 90 days in advance.
- 10. This Agreement shall automatically renew on November 1st of each year unless either party gives 30 days written notice of their intent to terminate the agreement.
- 11. No other provision, oral or written, shall constitute a part of this Agreement unless such is made in writing, executed by the parties, and expressly made a part thereof.

PUBLIC NOTICE

As required by State Law, a Public Hearing on the 2022-2023 Annual Report for the Conroe Independent School District will be held on February 20, 2024, in the Board Room of the CISD Administration Building at 3205 West Davis, Conroe, Texas 77304. The Hearing coincides with the Regular Board of Trustees Meeting beginning at 6:00 p.m.

Texas Education Code 39.023 requires that the Board publish an annual report describing the educational performance of the District and each campus in the District. This report is provided by TEA and is termed the *Texas Academic Performance Report*. It is intended to inform the public about the educational performance of the District and each campus in relation to the District, the State, and a comparable group of schools.

Four or more members of the Board of Trustees will be in attendance; however, no official business will be conducted nor will any votes be taken during the hearing.

Receive Information Regarding the Campus Mascot and School Colors Janet K. Bartlett Elementary School

Recommendation:

That the Conroe Independent School District Board of Trustees receive information regarding the campus mascot and school colors for Janet K. Bartlett Elementary School as submitted by Dr. Shellie Winkler, Assistant Superintendent of Elementary Schools, and as recommended by Dr. Curtis Null, Superintendent of Schools.

Explanation:

The District implemented a mascot nomination process and communicated the process to the future students and families of Janet K. Bartlett Elementary. The mascot selection process included solicitation of nominations from students and families for potential school mascot names. Information consisting of the top nominations will be provided for students and families to identify their favorite mascot, which will be presented to the Board of Trustees at the next Board meeting.

School Colors: Maroon and Gray

Consider and Approve District of Innovation Plan as Recommended by the District Level Planning and Decision Making Committee

Recommendation:

That the Conroe Independent School District Board of Trustees approve the District of Innovation plan, as submitted by Dr. Bethany Medford, Deputy Superintendent of Schools, and as recommended by Dr. Curtis Null, Superintendent of Schools.

Explanation:

In 2015 the Texas Legislature created "districts of innovation." Beginning with the 2015-2016 school year, school boards could follow the process established by the Texas Education Agency to receive this designation. To be eligible to become a district of innovation a school district must have "at least acceptable performance" under the state's most recent accountability performance rating, which Conroe ISD has always had. By becoming a district of innovation, a school board can exempt the school district from sections of the Texas Education Code, returning some local control back to the school board to make decisions that best meet the needs of its school district. Of the over 1,000 school districts in Texas, 975 of them have the district of innovation designation. Conroe ISD's first innovation plan was approved by the Board of Trustees in December 2016. That plan was revised and renewed in December 2020 and will expire in December 2025. The current plan allows the District to begin school prior to the fourth Monday of August and hire noncertified teachers to fill hard to find career and technology teaching positions, such as welding, automotive technology, and health sciences. Both of these provisions have been successfully utilized by the District to ensure students have teachers in specialty subject areas that are knowledgeable in their fields and have real world experience, as well as providing the District greater flexibility in developing its school calendar.

Texas Education Code Chapter 12A sets out the requirements for school districts to become and maintain status as districts of innovation. The process is very prescriptive and transparent, including, development of the plan by a committee that includes community members and volunteers, a public hearing, posting the proposed plan on the district's website for at least 30 days to allow for additional public input, and notice to the commissioner of education. The District has completed these steps.

Over the course of two meetings the proposed innovation plan was developed by the District Level Planning and Decision Making Committee (DLPDMC), the committee the Board appointed in November to develop the proposed innovation plan. In addition to the provisions included in the District's 2016 and 2021 innovation plans, the following new provisions have been added: exemption from the requirement to designate one person at each campus as a campus behavior coordinator; exemption from the state's requirement to provide instruction for at least 75,600 minutes each school year; exemption from the requirement to place students with nicotine vaping devices in DAEP; exemption from certain requirements related to teacher appraisals; expansion of the areas in which non-certified teachers can be hired; expansion of the time period the District can issue teachers new to the District probationary contracts; elimination of the 187 minimum days of service requirement for teacher contracts, and; giving the District the authority to revoke student transfers during the school year for students who fail to comply with the Student Code of Conduct or attendance requirements.

To renew the District's designation as a district of innovation, the Board must adopt the plan by an affirmative vote of two-thirds of the membership of the Board.

Conroe Independent School District Local Innovation Plan Renewal

District of Innovation Committee Approved Plan: January 10, 2024
Public Meeting: February 14, 2024
Board of Trustees Adopted Plan: TBD

District of Innovation

INTRODUCTION

Texas Education Code Chapter 12A, Districts of Innovation, establishes a process by which school districts can become "districts of innovation." A district of innovation (DOI) is a school district that has complied with the provisions of Chapter 12A to exempt themselves from provisions in the Texas Education Code that are not required of open-enrollment charter schools. This legislation was an effort by the 84th Texas Legislature to level the playing field between school districts and open-enrollment charter schools. As a DOI, a school district's board of trustees gains greater local control in its decision-making. DOI districts are also better positioned to be innovative and forward-thinking while continuing to comply with the state's fiscal, instructional, and academic accountability requirements.

OUR PROCESS

In 2016, Conroe ISD (CISD or District) became a DOI and exempted itself from Texas Education Code §25.0811 First Day of Instruction. In 2020, the District added an additional provision to its DOI plan, Texas Education Code §21.003 Certification Required. To maintain its DOI designation, the District must review and update its DOI plan every five years.

To begin the renewal process and update its DOI plan, the District held a public hearing at the November 14, 2023, meeting of the Conroe ISD Board of Trustees. The Board of Trustees adopted a resolution to initiate the process of renewing the District's DOI designation and designated the District-Level Planning and Decision-Making Committee (DLPDMC), which includes teachers, administrators, parents, and community members, as the committee to develop the DOI plan.

The DOI Committee met on January 10, 2024, and approved the following plan for posting on the District's website. Comments about the plan can be submitted for 30 days via the web beginning January 12, 2024. The DOI Committee will review the submitted comments and hold an open meeting on February 14, 2024, after which, if a majority of DOI Committee members approve the plan, the plan will be presented to the Board of Trustees for approval at its February 20, 2024, meeting. The District will also notify the commissioner as required by Chapter 12A. If the Board approves the DOI Plan by a two-thirds majority vote, the DOI Plan will be in place for five years.

INNOVATIONS

Campus behavior coordinator

Texas Education Code §37.0012 requires each campus to designate a person to serve as a "campus behavior coordinator" and be responsible for maintaining student discipline and implementing Chapter 37.

Benefit of Exemption: Having a single person at each campus responsible for student discipline is not feasible due to the size of our schools and the necessity for the person administering discipline to have knowledge and understanding of each student's unique circumstances. Having only one person at each campus designated as a "campus behavior coordinator" is not feasible nor in the best interest of the District's students, their families, staff, or campus safety.

Local Innovation: The student discipline structure in the District's schools utilizes assistant principals, typically assigned by grade level or alphabet, to be responsible for the discipline of students assigned to them. This allows administrators to build relationships with students and their families in case there is a discipline issue, as well as ensuring the administrator will have a better understanding of the student and his or her situation. The District also employs behavior coaches and school psychologists who assist students with behavior or discipline issues. Decisions regarding student behavior and discipline are collaborative to ensure student needs are met and District schools are safe. Campus administrators, primarily assistant principals, will be responsible for implementing Chapter 37 and the District's Student Code of Conduct. The District will assign one administrator as the lead contact for student discipline and whose job duties will include reviewing discipline data, analyzing discipline trends, and collaborating with staff to address student behavior issues.

First day of instruction and last day of school

Texas Education Code §§25.0811 & 25.0812 prohibit school districts from beginning instruction for students prior to the fourth Monday in August and from ending school before May 15, respectively.

Benefit of Exemption: Exemption from these provisions gives the District more flexibility to determine school start and end dates that best meet the needs of the CISD community.

Local Innovation: The District has a robust school calendar development process. Having flexibility in the process will give stakeholders more options to consider. The District's district-level planning and decision-making committee, based on input from stakeholders, will continue to make a calendar recommendation to the Board of Trustees, who have the ultimate approval of the school calendar.

Minutes of instruction

Texas Education Code §25.081 (a-c) requires school districts to operate (i.e., provide instruction to students) at least 75,600 minutes each school year and gives the commissioner the authority to grant exceptions in the event of disasters and other types of emergencies. If the commissioner does not grant an exception, schools must add minutes to meet the time requirement.

Benefit of Exemption: Exemption from this provision eliminates the possibility of the commissioner not approving a request by the District to reduce the number of required minutes of instruction in the event of a weather or other type of disaster that could impact the ability of students to attend school. It will give the District, through its Board of Trustees, in non-disaster situations, the authority to determine the number of minutes of instructional time that best meets the needs of its schools, students, their families, and staff.

Local Innovation: The District will determine the needs of its campuses in setting the amount of required instructional time. Having flexibility will give the District options to alter the length of school days, modify school start and stop times, and allow for early or late release based on the needs of the District and/or the needs of individual schools or programs. This flexibility will also give teachers time to learn from one another, make instructional decisions based on student data, build in regular time for parent conferences, and give the District discretion to determine if it is necessary to makeup instructional minutes lost due to a disaster or other event resulting in loss of instructional minutes.

Possession of nicotine e-cigarettes

Texas Education Code §37.006(a)(2)(C-2) requires school districts to place students who possess, use, sell, give, or deliver to another person, an e-cigarette, as defined by §161.081, Health and Safety Code in a disciplinary alternative education program (DAEP).

Rationale: Exception from this provision allows the District to utilize the six factors set out in Texas Education Code §37.001(a)(4) when assigning discipline to students who possess nicotine e-cigarettes at school. Without exemption from this provision, students possessing an actual cigarette containing nicotine would receive a lesser disciplinary consequence under the Student Code of Conduct. Additionally, removing students from campus to a disciplinary setting can negatively impact student learning. The District's DAEP has limited capacity. The seats in DAEP should be reserved for students who engage in serious Student Code of Conduct violations, such as assaultive offenses and offenses that disrupt the educational environment.

Local Innovation: The District will provide students who use, possess, sell, give, or deliver nicotine, regardless of the form, educational support regarding the dangers of nicotine use in addition to disciplinary consequences based on the factors set out in Texas Education Code §37.001(a)(4).

Teacher appraisal requirements (student learning objective)

Texas Education Code §21.352 sets out the metrics that may and may not be used as part of the teacher appraisal process.

Benefit of Exemption: Exemption from this requirement will eliminate a compliance requirement that does not benefit student instruction. While it is essential to use a variety of measurements, including goal-setting, self-assessment, observations, student progress toward learning objectives, and other formative assessments in determining teacher performance, teachers already dedicate a significant amount of time in data meetings and in professional learning communities (PLCs) to evaluate the growth and progress of students toward learning objectives. The student learning objective (SLO) process is duplicative and takes a significant amount of teacher time without a corresponding benefit to students.

Local Innovation: The District will have the flexibility to determine what performance measures are best suited for evaluating the job performance of a teacher and teachers will have more time to focus on meaningful ways to impact student success and ensure student growth.

Teacher certification

Texas Education Code §21.003 prohibits school districts from employing a teacher, teacher intern, teacher trainee, librarian, educational aide, administrator, educational diagnostician, or school counselor unless the person holds an appropriate certificate or permit.

Benefit of Exemption: Exemption from this requirement will provide the District the flexibility to hire the most qualified candidates for teaching positions. More flexibility in hiring individuals who have content-specific knowledge but do not have a teaching certification will allow the District to hire individuals who best meet the needs of the students and who are able to provide the content knowledge students need to enter an increasingly innovative world. Additionally, it will allow the District to utilize a certified teacher to provide instruction in classes outside of their content area or grade span.

Local Innovation: The District's priority is to continue to hire certified staff. However, lack of certification will not exclude an applicant who can demonstrate the skills necessary to teach students the content in courses and subjects that are difficult to fill or that are in high demand.

51 3

Teacher contracts

Texas Education Code §21.102(b) prohibits a school district from giving a probationary employment contract for more than one school year to a teacher who has been employed as a teacher in public education for at least five of the eight years preceding employment in a school district.

Benefit of Exemption: Exemption from this requirement will allow the District to give probationary contracts for more than one year to teachers who have previously worked in public education for five of the last eight years, giving the District additional time to determine if the teacher's performance merits a term employment contract.

Local Innovation: Campus administrators and hiring officials will have an additional school year to fully assess a teacher's job performance, as well as time to provide additional support and training to a teacher before deciding if the teacher should receive a term employment contract.

Teacher workdays

Texas Education Code §21.401(b) requires that employment contracts for educators be for a minimum of 10 months and provide for a minimum of 187 days of service.

Benefit of Exemption: Exemption from the 187-day service requirement will give the District more flexibility in setting educator work schedules.

Local Innovation: The District will continue to provide ten-month contracts to educators, but without the 187 days of service requirement.

Transfer students

Texas Education Code §25.036 allows school districts to accept transfer students on an annual basis when both the receiving district and the student applicant's parent or guardian approve the transfer in writing.

Benefit of Exemption: Because transfers granted under this provision are for one school year, school districts are prohibited from revoking the transfers during the school year. Exemption from this requirement will allow the District to revoke transfers granted under this provision when students fail to comply with the District's Student Code of Conduct, or their attendance drops below 90%.

Local Innovation: The District will have the ability to revoke a transfer granted under this provision if the student violates the District's Student Code of Conduct and is expelled, placed in a disciplinary alternative education program, or in or out of school suspension, or when the student's attendance falls below the TEA 90% attendance standard.

Consider and Adopt a Resolution Authorizing the District to Submit an Application for the 2024-2025 State and Local Cybersecurity Grant Program

Recommendation:

That the Conroe Independent School District Board of Trustees adopt a resolution authorizing the District to submit a grant application to the Office of the Governor for the 2024-2025 Cybersecurity Grant Program, as submitted by Mr. Chris McCord, Assistant Superintendent for Operations and Dr. Curtis Null, Superintendent of Schools.

Explanation:

The State and Local Cybersecurity Grant Program, which is administered through the Office of the Governor, makes federal funds available to support the cybersecurity efforts of local governments, including school districts. The program provides funds to address imminent cybersecurity threats to local information systems. Grant funds can be used to make improvements that align with the State's cybersecurity plan. Services purchased with grant funds must be "one-time" services that reduce cybersecurity risks and can include projects such as enhanced logging systems (SIEM), email spam protections, vulnerability testing, active directory assessment, and automated asset discovery systems.

To apply for funding under this grant, a school district's board of trustees must approve a resolution documenting the district's support for the grant application. Districts receiving grant funds will be awarded a minimum of \$10,000 and be required to match 10 percent of the awarded amount.

Resolution of the Conroe Independent School District Board of Trustees in Support of the District's Application to the 2024-2025 State and Local Cybersecurity Grant Program

WHEREAS, the Conroe Independent School District Board of Trustees finds that it is in the best interests of the Conroe Independent School District (District), its staff, students and their families to maximize opportunities to enhance the District's cybersecurity protections for its numerous information systems by applying for the 2024-2025 State and Local Cybersecurity Grant Program – Assessment and Evaluation Projects, FY 2025 (SLCGP or grant) as administered by the Office of the Governor; and

WHEREAS, as required by the SLCGP, if awarded, the Conroe Independent School District Board of Trustees will provide applicable matching funds; and

WHEREAS, the Conroe Independent School District Board of Trustees agrees that if the District is awarded SLCGP funds it will comply with all of the terms of the grant as indicated in the grant documents including returning any amount of grant funds determined lost or misused; and

WHEREAS, the Conroe Independent School District Board of Trustees designates its Director of Network Services as the District's project director for the SLCGP with the responsibility to oversee all grant activities, monitor grant expenditures, and measure overall effectiveness of the grant on behalf of the District; and

WHEREAS, the Conroe Independent School District Board of Trustees designates the Superintendent or his designee as the District's authorized official with the authority to apply for, accept, reject, alter, or terminate the SLCGP on behalf of the District.

NOW THEREFORE, BE IT RESOLVED that the Conroe Independent School District Board of Trustees approves submission of the 2024-2025 State and Local Cybersecurity Grant Program - Assessment and Evaluation Projects to the Office of the Governor.

Consider and Approve the Guaranteed Maximum Price Amendment for the New Elementary School in The Woodlands Feeder Project (Flex 24) and Authorize the Superintendent to Negotiate and Execute the Contract Documents

Recommendation:

That the Conroe Independent School District Board of Trustees approve the Guaranteed Maximum Price Amendment with Marshall Construction Company, Ltd., for the New Elementary School in The Woodlands Feeder Project (Flex 24) and authorize the superintendent to negotiate and execute the contract documents as submitted by Easy Foster, Executive Director of Planning and Construction, and as recommended by Dr. Curtis Null, Superintendent of Schools.

Explanation:

On April 18, 2023, the Board of Trustees selected Marshall Construction Company, Ltd., to be the District's Construction Manager at Risk for the New Elementary School in The Woodlands Feeder Project (Flex 24). Based on Marshall Construction Company, Ltd.'s proposal for this work, the District has negotiated a guaranteed maximum price for the project of \$45,008,193.00.

The contract documents will be prepared by the District's outside counsel.

Re: Guaranteed Maximum Price Quotation
New Elementary/Intermediate School in the Woodlands Feeder Zone (Flex # 24)

Dear Mr. Foster,

Marshall Construction proposes a Guaranteed Maximum Price of \$45,008,193. for the construction of Flex School No. 24 serving the Woodlands feeder zone. This proposal is based on the Drawings and Specifications prepared by Texas Arcadis Inc., dated December 6, 2023 including Addenda Nos. One thru Nine, and Post Bid Addenda Nos. One and Two. The Guaranteed Maximum Price is calculated as follows:

Base Bid	\$42,414,351.
Approved Alternates	\$ 2,593,842.
Guaranteed Maximum Price	\$45,008,193.

The above Guaranteed Maximum Price is based on construction starting March 1, 2024 with substantial completion achieved by May 30, 2025.

A schedule of values and a list of clarifications and assumptions made in preparing this Guaranteed Maximum Price are attached.

Marshall Construction is very grateful for the opportunity to work with Conroe ISD on this exciting project. Should you have any questions, please do not hesitate to contact me.

Yours very truly,

David G. Marshall

Architect: Texas Arcadis, Inc. Plans & Specs.: Flex 24 Bid Set

Item #	Assumptions & Clarifications
1	The GMP does not include the unloading or installation of any Owner furnished equipment or furniture. Marshall Construction will coordinate the installation of the Owner's Furniture with the Owner's Vendor.
2	The GMP does not include the recompaction or moisture conditioning of the building pad after the building pad has been initially installed, compacted and approved. It is virtually impossible to recompact or moisture condition the building pad after installation of the drilled piers, grade beams, plumbing piping and electrical conduit. Marshall will attempt to expedite the installation of the Building Slab to minimize the effects of moisture variations in the building pad.
3	The GMP does not include the dewatering (well pointing) of subsurface water.
4	The GMP does not include any funds for the correction, remediation, or replacement of undesirable subsurface conditions.
5	The GMP is based on providing a grade-supported floor slab as shown in the Contract Documents and as designed by the Structural Engineer. The Geotechnical Report suggests the possible use of a structurally isolated floor slab. This type of slab is not indicated in the Contract Documents and is not included in the GMP.
6	The GMP does not include a level 5 (solid skim coat) finish at any drywall work.
7	The GMP includes wall panels by Panel Specialist Inc. at all locations calling for plastic laminate wall panel
8	The GMP excludes a 12" fat clay cap at the perimeter of building due to concrete sidewalks being installed at this location.
9	The GMP does not include steel casings at drilled piers.
10	The GMP includes aluminum canopy stormwater drain tie-ins at every column on one side of the canopy, except at two bays on either side of the front entrance. Canopy drain tie-ins at the trellis canopies are not included.
11	The GMP includes 1.5" minimum thickness of rigid insulation at exterior masonry walls.
12	The GMP does not include fire rated ACT ceilings.
13	The GMP includes (5) site benches with locations to be determined later.
14	The GMP includes intumescent paint per the Type-1B construction requirements.
15	Chillers shall be provided with 10 year parts, labor, and refrigerant warranty per the specs. and does not include a maintenance agreement.
16	The GMP does not include any overhead coiling grilles.
17	The GMP includes epoxy grout at tile floors of wet areas only.
18	The GMP does not include the painting of HVAC and fire sprinkler piping located in mechanical rooms and above ceilings.
19	The GMP does not include any fire pumps, fire storage tanks or fire standpipe system. These items are no shown in the drawings and are not typically required at a facility of this size.
20	The GMP includes room identification signage, building/marquee cast aluminum lettering and (1) dedication plaque. All other graphics to be provided through the graphics allowance.
21	The GMP does not include a lightning protection system.

Consider and Approve the Guaranteed Maximum Price Amendment for the New Elementary School Project (Flex 25) to benefit the Caney Creek and Oak Ridge Feeders and Authorize the Superintendent to Negotiate and Execute the Contract Documents

Recommendation:

That the Conroe Independent School District Board of Trustees approves the Guaranteed Maximum Price Amendment with Marshall Construction Company, Ltd., for the New Elementary School Project (Flex 25) to benefit the Caney Creek and Oak Ridge Feeders and authorize the superintendent to negotiate and execute the contract documents as submitted by Easy Foster, Executive Director of Planning and Construction, and as recommended by Dr. Curtis Null, Superintendent of Schools.

Explanation:

On June 20, 2023, the Board of Trustees selected Marshall Construction Company, Ltd., to be the District's Construction Manager at Risk for the New Elementary School Project (Flex 25) to benefit the Caney Creek and Oak Ridge Feeders. Based on Marshall Construction Company, Ltd.'s proposal for this work, the District has negotiated a guaranteed maximum price for the project of \$44,829,681.00.

The contract documents will be prepared by the District's outside counsel.

Re: Guaranteed Maximum Price Quotation
New Elementary School in the Caney Creek and Oak Ridge Feeder Zone (Flex # 25)

Dear Mr. Foster,

Marshall Construction proposes a Guaranteed Maximum Price of \$44,829,681. for the construction of Flex School No. 25 serving the Caney Creek and Oak Ridge feeder zone. This proposal is based on the Drawings and Specifications prepared by Texas Arcadis Inc., dated December 6, 2023 including Addenda Nos. One thru Nine, and Post Bid Addenda Nos. One and Two. The Guaranteed Maximum Price is calculated as follows:

Base Bid	\$42,311,824.
Approved Alternates	<u>\$ 2,517,857</u> .
Guaranteed Maximum Price	\$44,829,681.

The above Guaranteed Maximum Price is based on construction starting March 1, 2024 with substantial completion achieved by May 30, 2025.

A schedule of values and a list of clarifications and assumptions made in preparing this Guaranteed Maximum Price are attached.

Marshall Construction is very grateful for the opportunity to work with Conroe ISD on this exciting project. Should you have any questions, please do not hesitate to contact me.

Yours very truly,

David G. Marshall

Consider and Select Construction Manager-at-Risk for the Hailey and Buckalew Elementary School Additions and Renovations Project and Authorize the Superintendent to Negotiate and Execute the Construction Manager-at-Risk Documents

Recommendation:

That the Conroe Independent School District Board of Trustees approve the selection of a construction manager-at-risk for the Hailey and Buckalew Elementary School Additions and Renovations Project and authorize the Superintendent to negotiate and execute the construction manager-at-risk documents as submitted by Easy Foster, Executive Director of Planning and Construction, and as recommended by Dr. Curtis Null, Superintendent of Schools.

Explanation:

Board Policy CV Local *Facilities Construction* deems construction manager-at-risk the project delivery/contract award method that provides the best value to the District for construction projects valued at or above \$100,000. Accordingly, the District's architect for the project, Stantec prepared and CISD published a request for qualifications for a construction manager-at-risk. Nine companies responded to the request for qualifications. In accordance with state law, and after review of each responder's qualifications, five companies, GTT General Contractors, Inc., Joeris General Contractors, LLC., Satterfield & Pontikes Construction, Teal Construction Company, and Tellepsen Builders, L.P., were asked to participate in the second step of the two-step procurement process.

Tellepsen Builders, L.P., was selected as the offeror who submitted the proposal determined to be the best value for the District based on the District's published criteria and its ranking evaluation. Texas Government Code Chapter 2269.254(d) requires that the District make the rankings of the offerors public within seven days of the contract being awarded. Although the contract has not yet been awarded, the District is publishing the rankings as determined by the selection committee. The rankings by the committee are attached.

The selection committee for these projects included the following: Ms. Karen Garza, Director of Finance; Mr. Chris McCord, Assistant Superintendent of Operations, Mr. Marshall Schroeder, Executive Director of Maintenance; Mr. Easy Foster, Executive Director of Planning and Construction; and Mr. Ryan Attebery, Assistant Director of Construction. Mr. Rick Reeves, Director of Procurement and Business Services, served as Facilitator. Ms. Gin Kappler-Peeler of Stantec served as advisor to the committee.

Upon selection by the Board, the District will begin contract negotiations.

Consider and Select Construction Manager-at-Risk for the Ford and Creighton Elementary School Additions and Renovations Project and Authorize the Superintendent to Negotiate and Execute the Construction Manager-at-Risk Documents

Recommendation:

That the Conroe Independent School District Board of Trustees approve the selection of a construction manager-at-risk for the Ford and Creighton Elementary School Additions and Renovations Project and authorize the Superintendent to negotiate and execute the construction manager-at-risk documents as submitted by Easy Foster, Executive Director of Planning and Construction, and as recommended by Dr. Curtis Null, Superintendent of Schools.

Explanation:

Board Policy CV Local *Facilities Construction* deems construction manager-at-risk the project delivery/contract award method that provides the best value to the District for construction projects valued at or above \$100,000. Accordingly, the District's architect for the project, Stantec prepared and CISD published a request for qualifications for a construction manager-at-risk. Nine companies responded to the request for qualifications. In accordance with state law, and after review of each responder's qualifications, five companies, Anslow Bryant, GTT General Contractors, Inc., Pogue Construction Company, Satterfield & Pontikes Construction, and Tellepsen Builders, L.P., were asked to participate in the second step of the two-step procurement process.

Tellepsen Builders, L.P., was selected as the offeror who submitted the proposal determined to be the best value for the District based on the District's published criteria and its ranking evaluation. Texas Government Code Chapter 2269.254(d) requires that the District make the rankings of the offerors public within seven days of the contract being awarded. Although the contract has not yet been awarded, the District is publishing the rankings as determined by the selection committee. The rankings by the committee are attached.

The selection committee for these projects included the following: Ms. Karen Garza, Director of Finance; Mr. Chris McCord, Assistant Superintendent of Operations, Mr. Marshall Schroeder, Executive Director of Maintenance; Mr. Easy Foster, Executive Director of Planning and Construction; and Mr. Ryan Attebery, Assistant Director of Construction. Mr. Rick Reeves, Director of Procurement and Business Services, served as Facilitator. Ms. Gin Kappler-Peeler of Stantec served as advisor to the committee.

Upon selection by the Board, the District will begin contract negotiations.

Consider and Select Job Order Contracting as the Procurement Method for the 2024 Summer Kitchen Renovations Project, Horizon International Group as the Vendor to Provide the Materials and Services for this Project, and Authorize the Superintendent to Negotiate and Execute any Documents Necessary to Effectuate the Transaction

Recommendation:

That the Conroe Independent School District Board of Trustees select Job Order Contracting as the procurement method that provides the best value for the District for the purchase of materials and services for the 2024 Summer Kitchen Renovations Project, select Horizon International Group to provide both the materials and services for the Project and authorize the superintendent to negotiate and execute any documents necessary to effectuate the transaction as submitted by Easy Foster, Executive Director of Planning and Construction and as recommended by Dr. Curtis Null, Superintendent of Schools.

Explanation:

CISD's Job Order Contracting (JOC) program, through a competitive process, created a pool of contractors who are "on call" for small projects such as this. The District has successfully used the JOC program for similar projects of this type in the past and believes this procurement method provides the best value to the District.

The project involves the kitchen at McCullough Junior High School and includes renovations to replace equipment and serving lines as well as renovations in the kitchen area.

In addition to approving the JOC procurement method, the District asks that the Board approve the selection of Horizon International Group as the JOC vendor to provide both the materials and services for this project. The District obtained quotes from three JOC program vendors. Horizon International Group was recommended because their quote was the best price for the complete scope of work.

The estimated cost for the materials and services for this project is \$748,500.00. Funding for this project comes from Child Nutrition.

Consider and Award CSP #23-11-02 Internal Connections Campus Refresh E-Rate

Recommendation:

That the Conroe Independent School District Board of Trustees consider approval of CSP #23-11-02 Internal Connections – Campus Refresh – E-Rate to **Data Vox, Inc.** and **Layer 3 Technologies** for an estimated expenditure of \$5,200,000 and authorize the Superintendent to execute any documents necessary to effectuate the purchase, as submitted by Mr. Darrin Rice, Chief Financial Officer, and, Mr. Rick Reeves, Director of Procurement & Business Services, and as recommended by Dr. Curtis Null, Superintendent of Schools.

Explanation:

In accordance with Texas Education Code Chapter 44.031 and Texas Government Code 2269, the district issued a competitive sealed proposal. Notifications of Proposal pertaining to the purchase of internal connections for the nine-campus technology refresh project and additional equipment were distributed to potential service providers by filing Form 470 through the Universal Services Administrative Company (USAC) E-File system. The proposal was advertised on the CISD Purchasing website and two times in *The Courier*. Under this CSP, Internal Connections for the campus will consist of any combination of the following items: wireless access points, routers, switches, racks for routers and switches, phones, uninterrupted power supply, and any cabling and cabling components related to the installation and operation of these devices. Five vendors submitted multiple, qualifying proposals. Pricing for this project shall be effective upon Board award through September 30, 2025, plus renewals, and shall include all costs to complete services required. Under E-Rate guidelines, for E-Rate eligible items, work may begin April 1, 2023. Proposals were evaluated by members of the Technology Department and reviewed by the Purchasing Department. Best Value offers are recommended for Board approval and noted on the attached summary sheet. Funding will be provided in the Capital Projects fund.

Consider and Award CSP #23-11-03 Internet and Data Transmission Services E-Rate

Recommendation:

That the Conroe Independent School District Board of Trustees consider awarding CSP #23-11-03 Internet and Data Transmission Services – E-Rate to **WaveMedia**, Inc. / ICTX for an estimated expenditure of \$2,600,000 and authorize the Superintendent to execute any documents necessary to effectuate the purchase, as submitted by Darrin Rice, Chief Financial Officer, and, Rick Reeves, Director of Procurement & Business Services, and as recommended by Dr. Curtis Null, Superintendent of Schools.

Explanation:

Competitive Sealed Proposals pertaining to the acquisition of internet and data transmission services for CISD were distributed to potential service providers by filing Form 470 through the Universal Services Administrative Company (USAC) E-File system. The proposal was also advertised on the CISD Purchasing website and two times in *The Courier*. Under this CSP, Internet and Data Transmission Services provided by these vendors will include broadband data transport over dark and lit fiber optic cable. Pricing for this project shall be effective up to three years, beginning July 1, 2024 through June 30, 2027, with options for renewing annually for two additional years. Proposals were evaluated by members of the Technology Department and reviewed by the Purchasing Department. Funds are provided in the General Fund.

Consider and Approve Relay Graduate School of Education for the Purchase of Professional Development Services and Authorize the Superintendent to Negotiate and Execute All Documents Necessary to Effectuate Purchases

Recommendation:

That the Conroe Independent School District Board of Trustees approve the selection of Relay Graduate School of Education for an estimated annual expenditure of no more than \$120,000, and authorize the Superintendent to negotiate and execute any documents necessary to effectuate the purchases as submitted by Mr. Darrin Rice, Chief Financial Officer, and, Mr. Rick Reeves, Director of Procurement & Business Services, and as recommended by Dr. Curtis Null, Superintendent of Schools.

Explanation:

Relay Graduate School of Education provides training on how to collect, interpret, and apply data to inform instructional decisions, ensuring that educators can tailor their teaching methods to meet the specific needs of their students. Procuring their services for professional development in data-driven instruction and observation and feedback is crucial because it equips educators with the necessary tools and strategies to effectively analyze and utilize data to drive instruction. Additionally, the company offers guidance on how to provide meaningful and constructive feedback to promote continuous improvement in teaching practices. By leveraging these strategies, educators can enhance their data literacy skills and create a more impactful learning environment for their students.

Texas Education Code Section 44.031(a) requires that contracts for the purchase of certain goods and services valued at \$50,000 or more in the aggregate for each 12-month period, be made by the method that provides the best value for the District. Local Board Policy CH *Purchasing and Acquisition*, delegates to the superintendent the authority to determine the method of purchase. The Board retains the authority to approve purchases for which the cost or aggregate cost is \$50,000 or more to a single vendor over the course of the fiscal year. Procuring these services through the District's interlocal agreement with the Central Texas Purchasing Alliance cooperative, which selected vendors through the competitive proposal process (Aldine ISD contract #1819-5 for Professional and Consulting Services), was determined to be the method of purchase that provided the best value for the District.

The Board is asked to approve the use of this vendor and to give the Superintendent the authority to authorize payment to the vendor of up to \$120,000.

Consider Revisions to Board Policy EHAA Basic Instructional Program – Required Instruction (All Levels)

Recommendation:

That the Conroe Independent School District Board of Trustees consider revisions to Board Policy EHAA *Basic Instructional Program – Required Instruction (All Levels)* as submitted by Carrie Galatas, General Counsel, and as recommended by Dr. Curtis Null, Superintendent of Schools.

Explanation:

At its meeting on January 16, 2024, the Board of Trustees accepted the recommendation of the School Health Advisory Council to continue to require written parent consent before providing students instruction in human sexuality. Board Policy EHAA has been revised to include that requirement. The District will recommend that the Board adopt this change at its March meeting.

PROPOSED REVISIONS

Human Sexuality Instruction

The following process shall apply regarding the adoption of curriculum materials for the District's human sexuality instruction:

- 1. The Board shall adopt a resolution convening the District's school health advisory council (SHAC) to recommend curriculum materials for the instruction.
- The SHAC shall hold at least two public meetings on the curriculum materials before adopting recommendations to present to the Board.
- The SHAC recommendations must comply with the instructional content requirements in law, be suitable for the subject and grade level for which the materials are intended, and be reviewed by academic experts in the subject and grade level for which the materials are intended.
- 4. The SHAC shall present its recommendations to the Board at a public meeting.
- After the Board ensures the recommendations from the SHAC meet the standards in law, the Board shall take action on the recommendations by a record vote at a public meeting.

Parent Consent
Before Instruction

Before a student is provided with human sexuality instruction, the written consent of the student's parent shall be obtained. The request for written consent shall not be included with any other notification or request for written consent provided to the parent, other than the notice provided under Education Code 28.004(i). The notice shall be provided to the parent not later than the 14th day before the date on which the human sexuality instruction begins.

Instruction on Prevention of Child Abuse, Family Violence, Dating Violence, and Sex Trafficking The following process shall apply regarding the adoption of curriculum materials for the District's instruction relating to the prevention of child abuse, family violence, dating violence, and sex trafficking:

- 1. The Board shall adopt a resolution convening the District's SHAC to recommend curriculum materials for the instruction.
- 2. The SHAC shall hold at least two public meetings on the curriculum materials before adopting recommendations to present to the Board.
- The SHAC recommendations must comply with the instructional content requirements in law, be suitable for the subject and grade level for which the materials are intended, and be reviewed by academic experts in the subject and grade level for which the materials are intended.

BASIC INSTRUCTIONAL PROGRAM REQUIRED INSTRUCTION (ALL LEVELS)

EHAA (LOCAL)

- 4. The SHAC shall present its recommendations to the Board at a public meeting.
- 5. After the Board ensures the recommendations from the SHAC meet the standards in law, the Board shall take action on the recommendations by a record vote at a public meeting.

Consider and Approve Sale or Disposal of Discontinued Instructional Resources in Accordance with Texas Education Code §31.105

Recommendation:

That the Conroe Independent School District Board of Trustees consider and approve the sale or disposal of instructional resources discontinued from use in the District's schools in accordance with Texas Education Code §31.005, as submitted by Carrie Galatas, General Counsel, and as recommended by Dr. Curtis Null, Superintendent of Schools.

Explanation:

Texas Education Code §31.105 Sale or Disposal of Instructional Materials and Technological Equipment, in conjunction with Board Policy CMD (Legal) Equipment and Supplies Management – Instructional Materials Care and Accounting, allows the District to dispose of discontinued printed instructional materials and technological equipment, together referred to as instructional resources – that are no longer utilized by the District's schools.

Because some of the resources that are no longer being used have not yet been discontinued from use by the State Board of Education, the Board, in addition to determining the methods of disposal, must also find that these resources are not needed by the District and are not reasonably expected to be needed. Noted in the attached report you will see reading and note-taking study guides for American government and economics are the only resources on the list that are currently still in use by the State Board of Education. These resources are not being used by the District and the District does not reasonably expect to need them because schools are utilizing the online version of the materials. Additionally, while the Stemscopes materials will remain in use in our schools for the remainder of this school year, they are included on the list, as they will be replaced at the end of the school year with the new science materials from Proclamation 2024.

The resources on the attached list, all of which have been discontinued from use by the District except as noted above, are currently being stored in the District's warehouse. Space in the warehouse is at a premium as the District will soon be receiving textbooks from Proclamation 2024. Accordingly, the District requests approval from the Board to dispose of these resources as well as future like resources through sale in the District's auction and if that is not successful, through donation, recycling, or discarding.

Take Requests from Trustees Regarding Future Board Agenda Items

Recommendation:

That the Conroe Independent School District Board of Trustees take requests from Trustees for agenda items for future Board meetings as submitted by Carrie Galatas, General Counsel, and as recommended by Dr. Curtis Null Superintendent of Schools.

Explanation:

Board Policy BE Local requires the Board President and Superintendent to prepare the agenda for all Board meetings. The policy states that any Board member may request an agenda item. The policy further requires that the Superintendent include on the preliminary agenda of the meeting all agenda items that have been timely submitted by a Board member.

When requesting an item to be placed on the agenda the requesting trustee must provide the Superintendent with the name of the person to be placed on the agenda, the subject, or issues to be presented, and the approximate length of time needed for the agenda item. Local Board Policy BE requires that before the official agenda is finalized for any meeting, the Superintendent must consult the Board President to ensure that the agenda and the agenda items included meet with the Board President's approval. The policy further requires the Board President in his or her review of the preliminary agenda, ensure that any agenda items the Board or individual Board members have requested to be addressed are either on that agenda or scheduled for deliberation at an appropriate time in the near future. This could be at a future meeting of the Board or at a Board workshop. Policy BE Local does not give the Board President the authority to remove from an agenda item requested by a Board member without that Board member's specific authorization.

To allow the District's administration to prepare for future Board meetings, the President will take requests for agenda items from Board members and work with administration and the requesting Board member to schedule the item for a future Board meeting or Board workshop. Board members will continue to be able to submit agenda item requests directly to the Board President or Superintendent in accordance with Board Policy BE Local.

BOARD MEETINGS

BE (LOCAL)

1 of 3

Meeting Place and Time

The notice for a Board meeting shall reflect the date, time, and location of the meeting.

Regular Meetings

Regular meetings of the Board shall normally be held on the third Tuesday of each month at 6:00 p.m. When determined necessary and for the convenience of Board members, the Board President may change the date, time, or location of a regular meeting with proper notice.

Special or Emergency Meetings

The Board President shall call special meetings at the Board President's discretion or on request by two members of the Board.

The Board President shall call an emergency meeting when it is determined by the Board President or three members of the Board that an emergency or urgent public necessity, as defined by law, warrants the meeting.

Agenda

Deadline

The deadline for submitting items for inclusion on the agenda is the fifth calendar day before regular meetings and the fifth calendar day before special meetings.

Preparation

In consultation with the Board President, the Superintendent shall prepare the agenda for all Board meetings. Any Board member may request that a subject be included on the agenda for a meeting, and the Superintendent shall include on the preliminary agenda of the meeting all topics that have been timely submitted by a Board member.

In order for items to be placed on the agenda, the Superintendent must have the following information:

- 1. Name of the person to be placed on the agenda.
- 2. Subject or issues to be presented.
- 3. Approximate length of time needed.

Before the official agenda is finalized for any meeting, the Superintendent shall consult the Board President to ensure that the agenda and the topics included meet with the Board President's approval. In reviewing the preliminary agenda, the Board President shall ensure that any topics the Board or individual Board members have requested to be addressed are either on that agenda or scheduled for deliberation at an appropriate time in the near future. The Board President shall not have authority to remove from the agenda a subject requested by a Board member without that Board member's specific authorization.

BOARD MEETINGS

BE (LOCAL)

Notice to Members

Members of the Board shall be given notice of regular and special meetings at least 72 hours prior to the scheduled time of the meeting and at least one hour prior to the time of an emergency meeting.

Closed Meeting

Notice of all meetings shall provide for the possibility of a closed meeting during an open meeting, in accordance with law.

The Board may conduct a closed meeting when the agenda subject is one that may properly be discussed in closed meeting. [See BEC]

Order of Business

The order of business for regular Board meetings shall be as set out in the agenda accompanying the notice of the meeting. At the meeting, the order in which posted agenda items are taken may be changed by consensus of Board members.

Rules of Order

The Board shall observe the parliamentary procedures as found in *Robert's Rules of Order, Newly Revised*, except as otherwise provided in Board procedural rules or by law. Procedural rules may be suspended at any Board meeting by majority vote of the members present.

Voting

Voting shall be by voice vote or show of hands, as directed by the Board President. Any member may abstain from voting, and a member's vote or failure to vote shall be recorded upon that member's request. [See BDAA(LOCAL) for the Board President's voting rights]

Consent Agenda

When the agenda is prepared, the Board President shall determine items, if any, that qualify to be placed on the consent agenda. A consent agenda shall include items of a routine and/or recurring nature grouped together under one action item. For each item listed as part of a consent agenda, the Board shall be furnished with background material. All such items shall be acted upon by one vote without separate discussion, unless a Board member requests that an item be withdrawn for individual consideration. The remaining items shall be adopted under a single motion and vote.

Minutes

Board action shall be carefully recorded by the Board Secretary or clerk; when approved, these minutes shall serve as the legal record of official Board actions. The written minutes of all meetings shall be approved by vote of the Board and signed by the Board President and the Board Secretary.

The official minutes of the Board shall be retained on file in the office of the Superintendent and shall be available for examination during regular office hours.

Discussions and Limitation

Discussions shall be addressed to the Board President and then the entire membership. Discussion shall be directed solely to the

business currently under deliberation, and the Board President shall halt discussion that does not apply to the business before the Board.

The Board President shall also halt discussion if the Board has agreed to a time limitation for discussion of an item, and that time limit has expired. Aside from these limitations, the Board President shall not interfere with debate so long as members wish to address themselves to an item under consideration.
