To see prior-year adjustments and actual payments made, refer to the IFA payment ledger.

Key:

- ¹ 599 designates general obligation bonds, and 199 designates lease purchases.
 - ² The district's limitation uses the lesser of the allotment or the debt service for the current fiscal year. If the allotment is lower, the limitation is the allotment times the % of total debt.
 - ³ To calculate the estimated and final state share, multiply the state percentage by the limitation amount. Use the LPE state percentage for the estimated state share and the DPE percentage for the final state share.
 - ⁴ To calculate the estimated and final local share, multiply the local percentage by the limitation amount. Use the LPE state percentage for the estimated local share and the DPE percentage for the final local share.
- * State aid may be withheld on refunds and conversions if there is no approved amendment.
